MEMORANDUM

TO: Chair Pearse and Members of the Wheaton Local Tobacco Commission

FROM: James P. Kozik, AICP Director of Planning and Economic Development

DATE: February 12, 2026

SUBJECT: **Violation Hearing – Puff Place Smoke Shop, LLC d/b/a Puff Place Smoke Shop - 945 Geneva Road**

Action
The Local Tobacco Commission will convene a public hearing on February 12, 2026 to review evidence relating to allegations of a violation of the Tobacco Control Ordinance by Puff Place Smoke Shop, LLC d/b/a Puff Place Smoke Shop whereby tobacco products were sold without having first obtained a tobacco dealer's license.

Background
Puff Place Smoke Shop, LLC d/b/a Puff Place Smoke Shop at 945 Geneva Road held a tobacco dealer's license in 2025. Despite numerous attempts to reach the licensee about renewing their license for 2026, they did not do so.

On Monday, January 5, 2026 a Wheaton undercover detective completed a compliance check at Puff Place, 945 W. Geneva Rd. The detective was able to purchase a Lost Mary Blue Razz Ice vape cartridge from the business and he subsequently issued the employee who sold the vape, identified as Benyamin Daraji, a DACRA citation, number 0091-000012, for the tobacco ordinance violation. Mr. Daraji, who is also the licensee, was sent notice of his alleged City Code violation. Mr. Daraji did not respond to the notice and did not provide a notification of plea. As a result, the hearing will be held in absentia.

Mr. Daraji no longer owns and operates the business. A new owner/operator has received an Occupancy Permit and Tobacco License to operate a new tobacco store at the former Puff Place location.

Section 26-143 (b) of the City Code states the tobacco commissioner, after a hearing conducted by the tobacco commission, may suspend or revoke any license issued under the provisions of this article if he determines that the licensee has violated any of the provisions of this article.

In lieu of suspension or revocation of the license, the tobacco commissioner may instead levy a fine on the licensee. The fine imposed shall not exceed $500 for each violation. The licensee shall also pay the costs of the hearing held before the tobacco commission.

Narrative Information

On January 5, 2026, Lt. Potter assigned myself and Detective Freeman to conduct a tobacco compliance check of Puff Place Smoke Shop, 945 W. Geneva Rd. Wheaton, IL 60187. It was related to myself and Detective Freeman that Puff Place, also known as BV CORNER SMOKE AND VAPE, based on the sign placed on the business, had let their City of Wheaton tobacco license expire effective January 1, 2026, and had yet to renew their license after numerous reminders via email from Wheaton City Clerk Andrea Rosedale. Lt. Potter provided us $20 petty cash for us to use in an attempt to purchase a tobacco product from BV CORNER SMOKE AND VAPE.

On January 5, 2026, at approximately 4:00 PM, Detective Freeman and I arrived at 945 W. Geneva Rd at which time Detective Freeman went into

BV CORNER SMOKE AND VAPE in an undercover capacity and purchased (1) Lost Mary Blue Razz Ice vape cartridge for $14. Detective Freeman then returned to the vehicle and showed me the vape cartridge and provided a description of the person who sold him the vape (short middle eastern male with a beard) and that he was the only person inside the store. I in turn took the vape cartridge from Detective Freeman and returned to BV CORNER SMOKE AND VAPE.

Upon entering the store, I was greeted by the only person in the store and the person who fit Detective Freeman's description, now known as Benyamin Daraji. I asked Benyamin if he just sold the Lost Mary Blue Razz Ice vape cartridge I was holding and he said yes. I informed Benyamin he sold the vape cartridge to a police officer and that he was not allowed to due to BV CORNER SMOKE AND VAPE'S tobacco license being expired. Benyamin stated he had a tobacco license and provided me with an expired City of Wheaton tobacco license with an expiration date of 12/31/2025. I informed Benyamin the license was currently expired and that he could no longer sell tobacco from the store until he renewed his tobacco license with the City of Wheaton.

Benyamin returned the money Detective Freeman used to purchase the Lost Mary Blue Razz Ice vape cartridge and I returned the vape back to him. I informed Benyamin that I would have to issue him a City of Wheaton Ordinance Violation, which I would serve to him at a later date. Benyamin stated he understood, at which time I left the store.

On January 6, 2026, I drafted a City of Wheaton Ordinance Violation Notice via DACRA under citation number 0091-000012 and served it to Benyamin Daraji. The DACRA citation showed a must appear court date of 02/11/26 at 6:30 PM, 303 W. Wesley Street Wheaton, IL 60187.

I also attached to this police report a copy of the numerous emails from City Clerk Andrea Rosedale to Benyamin Daraji informing him of his tobacco license expiring dating back to October 2025, as well as a City of Wheaton letterhead letter explaining the process of renewing the tobacco license and the actual application to renew.

Citation issued.
