New Business #3

TO: Michael G. Dzugan, City Manager

FROM: William Murphy, Chief of Police *WM*

DATE: June 28, 2018

SUBJECT: Recommendation – Charitable Donation of Abandoned Property; Bicycles

As we have experienced in the past, our bicycle impound storage unit is very overcrowded with dilapidated bicycles (approx. 42). These bicycles are the product of citizens or officers finding them “abandoned” and calling police to take custody of them. Once we take custody we prepare a report indicating how we took possession.

The bicycles in question have been stored for more than 6 months with no owner making any claim. Our on-line auction company will not accept these bicycles for auction in their condition (worth less than \$100.00) and selling them ourselves is not an option. (See attached Item status reports)

Under the Law Enforcement Disposition of Property Act, 765 ILCS 1030, any property believed to be abandoned, lost or stolen can be held by the Chief of Police with reasonable efforts made to locate the owner. If the rightful owner is not located within 6 months after the police department takes possession of the property, the Chief of Police can sell the property at public auction or donate the property if the value is less than \$100.00. In order to donate the property the statute dictates that the donation is approved by the “governing body” of which the law enforcement agency is under.

Last year a charitable organization called Working Bikes accepted approx. 67 of our dilapidated bicycles and gave them to people in need. As the bicycles are worthless to us and taking up a large amount of our storage facility, I again request that we donate the bicycles as the Law Enforcement Disposition of Property Act dictates.

The attached resolution is respectfully submitted for review and approval by the Mayor and City Council.

Thank you for your consideration in this matter.

RESOLUTION R-2018-
A RESOLUTION AUTHORIZING THE DISPOSAL
OF CERTAIN SURPLUS PROPERTY

WHEREAS, the Wheaton Police Departments impound storage unit contains approximately 42 dilapidated bicycles; and

WHEREAS, under the Law Enforcement Disposition of Property Act, 765 ILCS 1030, any property believed to abandoned, lost or stolen can be held by the Chief of Police with reasonable efforts made to locate the owner, and if the rightful owner is not located within six months after the Police Department takes possession of the property, the Chief of Police can sell the property at public auction or donate the property if the value is less than \$100.00; and

WHEREAS, the bicycles contained in the impound garage storage unit will not be accepted for auction in their current condition as the value is less than \$100.00; and,

WHEREAS, a charitable organization called Working Bikes will accept large quantities of dilapidated bicycles, restore them and give them to people in need.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Wheaton, Illinois, that the City Manager is authorized to dispose of the bicycles currently contained in the Police Department impound storage unit by means of donating the bicycles to Working Bikes in their “as-is” condition.

ADOPTED this 16th day of July 2018.

MEMORANDUM

TO: Chief of Police J. Volpe
FROM: Deputy Chief W. Murphy
DATE: May 16, 2018
SUBJECT: Abandoned Property - Bicycles

There are currently 42 bicycles being maintained in Property Storage. Each of the bicycles has an estimated value under \$100 and have been retained in our custody for more than 6 months. A thorough screening was performed, the noted bicycles have no known owners and are not identified in law enforcement databases as stolen property. These conditions comply with the statutory requirements for charitable donation as dictated by 765 ILCS 1030 Law Enforcement Disposition of Property Act.

In previous years the police department received authorization to donate bicycles to the charitable organization Working Bikes. The donations have been handled seamlessly every year. The organization will come to the police department with trucks and volunteers, which ensures virtually no impact on our time or resources.

I recommend we seek approval to donate the bicycles to Working Bikes. There are no feasible auction locations and the continued storage of the property is not practical or efficient. The list of bicycles ready for disposal is attached to this memorandum.
