## City Notes

### Daylight Saving Time

Daylight Saving Time begins at 2 a.m. Sunday, March 8. When you set your clocks ahead, the Wheaton Fire Department suggests that you replace the batteries in your smoke and carbon monoxide detectors, too.

Replacing the batteries approximately every six months helps ensure they are functioning properly, and daylight saving time is a good way to remind yourself when you last replaced the batteries.

### Wheaton Celebrates 25 Years of Friendship

On Feb. 20, 2015, two cities with a special connection celebrated 25 years of friendship. Mayor Michael

Gresk declared Feb. 20, 2015 "Wheaton Aston Day" in the city to commemorate the

25th anniversary of its Sister City relationship with Wheaton Aston, England.

Situated in the heart of the English countryside, the village of Wheaton Aston is part of a small, rural community in the English West Midlands. To learn

## Do You Know a Good Citizen?

*Nominate someone for annual award*

**D**o you know someone who deserves to be recognized for their service to the community?

The Community Relations Commission's annual Good Citizens Awards help recognize and thank those in Wheaton who make quiet, generous and often extraordinary contributions to the community. This includes volunteer service for a school, church, nursing home, civic group or non-profit organizations. A person may also be nominated for service to an individual, such as tutoring or assisting an elderly neighbor.

The four categories for nominees are: 1) high school student, 2) adult, 3) senior adult and 4) group.

A nominee must be a current resident of Wheaton and have done something for the benefit of Wheaton and its citizens. To nominate

# Popular Recycling Extravaganza is April 11

*Event features drive-through convenience*

There's a reason they call this event an "extravaganza." It's enormous, it's impressive, and it's a big deal in Wheaton.

Bring your old washing machine, car batteries, electronics, bicycles, eye glasses, swing sets and much more to the annual Recycling Extravaganza. From 9 a.m. to 1 p.m. Saturday, April 11, the [commuter parking lot at Liberty Drive and Carlton Avenue](#) will be transformed into a maze of cars with drop-off stations and volunteers ready to unload your stuff.

This event is run by the Environmental Improvement Commission, and volunteers are greatly appreciated. Groups or individuals high school age or older can call 630-690-1237 or 630-653-8776 to volunteer.

## THINGS YOU CAN BRING TO THE RECYCLING EXTRAVAGANZA:

- 1) Electronics:** Anything with an on/off switch and all electric cords. Examples: TVs, computers, cell phones, printers, blenders, stereos, etc. Limit two TVs and two monitors per car.
- 2) Scrap metal:** Pots, swing sets, hangers, shelving, lawn furniture, tomato cages, drained lawn mowers, washers, dryers, air conditioners, etc. **No refrigerators or freezers**
- 3) Batteries:** All household batteries, plus large batteries (car, boat, sump pump batteries, etc.)
- 4) Fluorescent tube bulbs.** No CFLs accepted
- 5) Cooking oil**
- 6) Bicycles:** In any condition
- 7) Paper** for on-site shredding. 3 box limit (copy-size box). Remove rubber bands, binders, cardboard, plastic bags
- 8) Wheel chairs, eye glasses, hearing aids**
- 9) Miscellaneous:** Buttons, rulers, LP records, musical instruments, keys, worn American flags

## DO NOT BRING:

- Refrigerators, freezers
- CFL light bulbs
- Hazardous waste
- Books (But books can be taken to SCARCE in Glen Ellyn for reuse and recycling. Visit [www.scarce.org](http://www.scarce.org) for information.)
- More than 2 TVs or 2 monitors
- More than 3 boxes of paper

## Monthly Electronic Recycling Returns Soon

*After April Extravaganza, monthly collection events are back*

Wheaton's monthly electronic recycling events will be returning soon – and better than ever.

The annual Recycling Extravaganza on April 11 will serve as a kick-off event for you to recycle your electronics, household appliances and much more. (See above for more information.)

Then, on May 9, the regular monthly electronic recycling events will resume, taking place on the second Saturday of each month from 9 a.m. to noon at the Public Works Storage Yard, 820 W. Liberty Drive (near the Wheaton Police Department).

New to this year's events

### Monthly Electronic Recycling

- **Resumes:** May 9
- **Dates:** Second Saturday of each month
- **Time:** 9 a.m.-noon
- **Location:** Public Works Storage Yard, 820 W. Liberty Drive

will be the collection of scrap metal and batteries of all types. As in the past, you can bring cooking oil, fluorescent tube bulbs (no CFLs please) and nearly all electronics.

These events will accept almost anything with an on/off switch and a power cord, from computers, radios, DVD

players and alarm clocks to blenders, extension cords, hair dryers and cell phones. While TVs and monitors will be accepted, there is a limit of two CRT-containing devices (plastic-cased televisions, projection televisions or console televisions) per car.

To ensure the security of confidential data, memory will be removed from electronic devices and destroyed.

More information is available on the City's website at [www.wheaton.il.us/electronics](http://www.wheaton.il.us/electronics).

Volunteers are needed every month. Individuals or groups high school age or older can call 630-653-8776 or 630-690-1237 to help.

# Final Stretch for Parkway Ash Tree Removal

**Less than 380 parkway ash trees remain in Wheaton. Before the emerald ash borer infestation, there were 6,321.**

What started out as 6,321 ash trees lining Wheaton parkways is down to less 380 trees.

Crews contracted by the City of Wheaton are entering the final stages of parkway ash tree removal, which involves removing ash trees in locations throughout the city. The City's goal is to complete these removals by the end of spring. Another 240 trees will not be removed at this time because property owners have been privately treating these ash trees with insecticide.

To follow the progress of crews as they complete this final stage, you can see the [Emerald Ash Borer Progress Map on the City's website](#). Information about the emerald ash borer and the City's response is also available [on the City's website](#).

As a reminder, property owners are responsible for removing ash trees on private property infested by the emerald ash borer. [Under Wheaton City Code](#), infested trees are declared a public nuisance, and they can pose a safety hazard.

## Share Your Feedback

### *Resident input needed for redesign*

The City of Wheaton's website, [www.wheaton.il.us](http://www.wheaton.il.us), is getting ready for an update. Since the current website's launch in January 2008, the devices people use to access the internet, the types of services and information users want online, and even the ways many people find information online have changed. To modernize the City's website so it works easily for all users – including residents, businesses, visitors and others – the City is beginning the process of re-designing the website.

For the new website to meet your needs, the City would like your help in identifying what you would like to see on the new site. How can the site be improved? What type of information or features should the City include or not include on the new site? [Please take a moment to share your feedback through this online survey](#) collecting information about your experience using the City's website and ideas for improvement.

## New Snow Ordinance Reminder

*Do not shovel snow onto opposite parkway or into street*

As wintery weather continues, please be mindful of Wheaton's new ordinance targeting snow removal issues.

Plowing, blowing or shoveling snow into the roadway or across the street to the opposite parkway creates several problems. When it piles up into the street, it narrows the lanes of traffic,

produces safety hazards for drivers and creates a nuisance for other property owners. It also causes plows to hit and possibly damage the curb.

For these reasons, the City enacted an ordinance in late 2014 that makes pushing snow onto an opposite parkway a violation of City Code. Please help keep our

streets safe by adhering to this ordinance. Violations yield a minimum fine of \$100 per day.

The City has seen numerous instances of violations this year. Please be mindful not to push snow onto the parkway of any other property. If you use a snow removal service, please share this information with their crews.

## Submit Photos for Native Plant Sale

*Winner will receive certificate for plants at this year's sale*

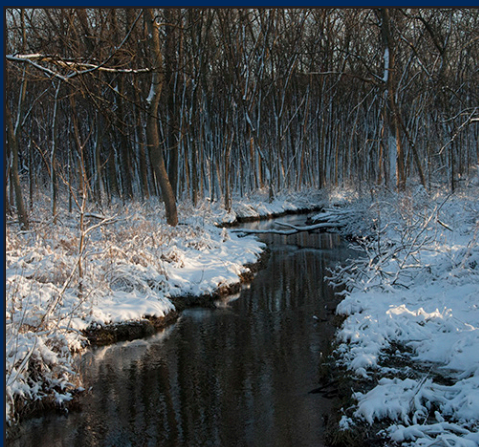

The Wheaton Environmental Improvement Commission and Wheaton Park District are seeking photos of native plants growing in your yard that were purchased at a past Wheaton Native Plant Sale. The photos will be showcased at the next sale to help attendees see what the various plants look like in a natural setting. The person who submits the best photo will receive a certificate for free plants to use at the April

25, 2015 Native Plant Sale.

To submit a photo, email the image to Steve Hinchee of the Wheaton Park District

at [shinchee@wheatonparks.org](mailto:shinchee@wheatonparks.org). Include the type of plant shown, your name, address and phone number.
