Dear Mr. Dzugan,

Attached please find a copy of the minutes of the Board Meeting of January 14, 2010 in which we discussed the addition of an emergency/fire lane to the front of the property.

We would like to make our front circular drive open and assessable to emergency vehicles when needed. We are asking that if cars are left in the front circular drive at 850 S. Lorraine, that the auto be ticketed and fined.

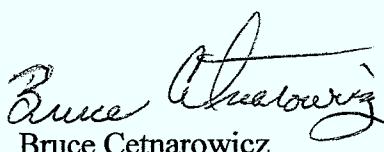

We have had several instances where emergency vehicles were called to the building and access was not easy because cars were blocking access to the front door.

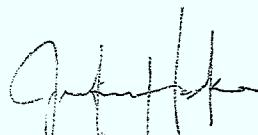

We have asked the Management company to get the City of Wheaton named as an additional insured and will be supplying you with a certificate of credible coverage as soon as it arrives

Should you require additional information, please let us know.

Thank you for your consideration

Sincerely

Bruce Cetnarowicz
