PREAMBLE

This Agreement is entered into by and between the City of Wheaton, an Illinois municipal corporation (hereinafter referred to as the "EMPLOYER") and the Metropolitan Alliance of Police (hereinafter referred to as "CHAPTER #450"), pursuant to Illinois Labor Relation Board Petition S-RC-06-053.

The purpose of this Agreement is to provide an orderly collective bargaining relationship between the Employer and Chapter #450 representing the Employees in the bargaining unit, and to make clear the basic terms upon which such relationship depends.

In consideration of the mutual promises, covenants and agreements contained herein, the parties hereto, by their duly authorized representatives and/or agents, do mutually covenant as follows:

ARTICLE I

RECOGNITION

The Employer hereby recognizes the Metropolitan Alliance of Police as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on any and all matters relating to wages, hours and all other terms and conditions of employment of all employees in the bargaining unit. The bargaining unit shall include:

All full-time sworn peace officers of the rank of sergeant and lieutenant employed by the City of Wheaton, that are assigned as "shift commanders" and "watch commanders."

Positions excluded from the above-described bargaining unit are:

All supervisory, managerial and confidential employees as defined by the Illinois Public Labor Relations Act, including all sworn peace officers below the rank of sergeant and above the rank of lieutenant, any employees excluded from the definition of "peace officer" as defined in Section 3(k) of the Illinois Public Labor Relations Act, and all other employees of the City of Wheaton.

All promotions by the Wheaton Board of Fire and Police Commissioners to the position of Police Commander within the Police Department shall be considered as assignments. This means that the Chief has discretion to assign bargaining unit members to any duties or position (existing or new) whether in or out of the bargaining unit. However, any demotion may be subject to review by the Wheaton Board of Fire and Police Commissioners rules.

The probationary period for Shift Commander shall be for a period of up to twelve (12) months during which they will be evaluated using the form designated by the Chief of Police at the end of each ninety (90) day period that will be reviewed with the probationary shift commander. Time absent from duty or not served shall not apply towards satisfaction of the probationary period. During the probationary period, a shift commander is entitled to all rights, privileges or benefits under this Agreement except that the City may reduce a probationary shift commander without cause, and such shift commander shall have no recourse to the grievance procedure to contest such reduction.

ARTICLE II

NON-DISCRIMINATION

Section 1 - Non-discrimination.

Neither the City nor Chapter #450 shall discriminate against any employee in a manner which would violate any applicable law because of race, creed, color, national origin, age or sex.

Section 2 – Chapter #450 Membership or Non-membership.

Neither the City nor Chapter #450 shall interfere with the rights of employees to become or refuse to become members of Chapter #450, and there shall be no discrimination against any employee because of lawful Chapter #450 membership or non-membership activity or status.

Chapter #450 recognizes its responsibility as a bargaining agent and agrees to represent fairly all employees in the bargaining unit.

Section 3 - Remedy for Alleged Violation.

Employees asserting a violation of this Article of the contract may process their grievance up to but not including binding arbitration. Employees dissatisfied with the disposition of grievances under this Article may seek redress before the appropriate administrative agency or in the appropriate court.

ARTICLE III

Such money shall be submitted to the Metropolitan Alliance of Police within fifteen (15) days after the deductions have been made.

Section 2 - Membership and Fair Share.

During the term of this Agreement, Members who are not members of the Chapter shall, commencing thirty (30) days after the effective date of this Agreement, pay a fair share fee to the Union for collective bargaining and contract administration services tendered by the Union as the exclusive representative of the members covered by this Agreement. Such fair share fee shall be deducted by the City from the earnings of non-members and remitted to the Union each month. The Union shall annually submit to the City a list of the members covered by this Agreement who are not members of the Chapter and an affidavit which specifies the amount of the fair share fee, which shall be determined in accordance with the applicable law.

Section 3 - Indemnification.

ARTICLE V

ENTIRE AGREEMENT

This Agreement constitutes the complete and entire agreement between the parties and concludes collective bargaining between the parties. This Agreement supersedes and cancels all prior practices and agreements, whether written or oral which conflict with the expressed terms of this Agreement. This Article is intended only as a basis of calculating overtime and overtime payments.

Nothing herein shall be construed as a guarantee of hours of work per day, per week or per work

cycle, and nothing within shall preclude the City from restructuring the normal workday, workweek, or work cycle.

Section 2 – Shift Schedule, Hours of Work.

The City reserves the right to establish the shift schedule. In the event the City contemplates a change in the shift schedule, the City will notify Chapter 450 at least thirty (30) days in advance. Upon request, the City will meet and confer with the affected employee(s) and Chapter 450 to explore alternatives to the proposed schedule change prior to implementation. However, the City retains ultimate authority to determine the schedule.

The City may temporarily assign an employee to a different shift or require an employee to work hours other than his/her present shift schedule. In the event that such temporary assignment is required, the City will do so in a manner as to minimize the personal hardship upon the effected employee. This action is not to be used as a disciplinary tool.

The City shall continue to post the work schedules showing the shifts, workdays and work hours to which bargaining unit members are assigned. Sergeants/Lieutenants will be afforded twenty-four hours notice prior to canceling assigned extraordinary work assignments otherwise, the Sergeants/Lieutenants will be paid for the assigned shift(s).

An employee's normal work hours currently consists of eight (8) consecutive hours of work. Each eight (8) hour work day shall be interrupted by a thirty (30) minute paid lunch and two fifteen (15) minute coffee breaks. Failure to secure said breaks as a result of work load shall not occasion the payment of overtime. Sergeants shall be paid an additional one (1) hour for preparatory time on days that they work as a regular duty day. Lieutenants shall be paid an additional one half (1/2) hour for preparatory time on days that they work as a regular duty day. Preparatory time will not be paid when the officer uses a paid day off (e.g. sick day, vacation

day, personal day, comp time). Preparatory pay will only count as hours of work for overtime purposes if the preparatory time is actually worked.

This provision is not intended to limit in any way the City's authority to change the work schedule or hours of work as long as the change does not diminish this benefit.

Section 3 - Overtime Compensation.

Overtime compensation shall be provided as required by the Fair Labor Standards Act. The City reserves the right to determine the work cycle. An employee shall, in addition to regular compensation, be paid one and one-half ($\frac{1}{2}$) times his/regular straight time hourly rate for all hours of work in excess of one hundred sixty-six (166) hours in the employee's regular twenty-eight (28) day work cycle. Any and all prior agreements, settlements and practices regarding overtime are superseded hereby. All compensated hours, except for disciplinary leave shall be considered as hours worked for the purposes of computing overtime.

Section 4 - Required Overtime.

The Chief or his designee(s) shall have the right to require overtime work, and bargaining unit members may not refuse overtime assignments. In non-emergency situations, the Chief or his designee (s), as a general rule, shall take reasonable steps to obtain volunteers for overtime assignments before assigning required overtime work. However, volunteers will not necessarily be selected for work in progress. Also, specific bargaining unit members may be selected for special assignments based on specific skills, ability and experience they may possess.

Section 5 - No Pyramiding.

Compensation shall not be paid or compensatory time taken more than once for the same hours under any provision of this Article or Agreement.

Section 6 - Compensatory Time.

All employees covered by the terms of this Agreement shall have as their option the right to choose compensatory time off at the appropriate overtime rate in lieu of payment. Compensatory time off shall be granted upon the employee's request at a time which is mutually agreed upon by the employee and the appropriate supervisor.

A sergeant/lieutenant that is released from a court appearance or attorney meeting with instruction to return at a later time on the same day shall be paid a minimum of three (3) hours each time he/she returns for court or attorney meeting.

Section 8 – Call-Back.

Employees who are called in to work, other than holdovers or employees on-site whose call-in runs into their regular shift, and are required to work beyond their normal schedule shall be paid a minimum of three (3) hours or the actual time worked, whichever is greater, at their normal rate of pay.
