Honorary Street Sign Policy

Background - Honorary street signs provide an opportunity to posthumously recognize former Wheaton residents who made significant contributions to the City, State of Illinois, or the United States of America. Honorary signs do not change the legal name of a street. Requests will be made using the Honorary Street Sign application (Exhibit B). Upon approval, an honorary sign will be installed beneath the actual street sign.

Honorary Signs:

- Designations will be limited to a one (1) block long section of the street, and limited to one (1) sign at the specified location.
- Up to two (2) honorary designations may be made per fiscal year.
- An honorary designation and street sign will remain in effect for three (3) years after installation.
- An honorary name will not be used which will duplicate, or be confused with the name of an existing city street.
- Honorary signs will have a brown background with white lettering on both sides.
- At the end of the three (3) year period, the city will remove the honorary sign and make it available to the applicant.

Criteria: Only individuals meeting the criteria below will be eligible for honorary signs and designations.

- The individual must be deceased.
- The individual must have resided in Wheaton during their lifetime.
- The individual must have made significant contributions through cultural, humanitarian, historic, or military achievement.

Review and Approval: The following steps outline the review and approval process.

- Applicants will submit a completed application to the City Clerk's office.
 - If two honorary designations have been made during the current fiscal year, the City Clerk will notify the applicant that they can resubmit the application the following year.
 - If two honorary designations have not been made within the current fiscal year, the City Clerk will review the application for completeness.
 - The City Clerk will notify the applicant if the application is rejected.
- The City Clerk will review the application request for:
 - A \$300 application fee to cover sign fabrication and installation is provided. The application fee will be refunded if the application is not approved.
 - Sufficient documentation validating an individual meets the criteria.
 - If the application is not submitted by a family member of the individual in question, a letter of consent from the individual's family is required.
- The City Clerk will prepare resolutions for applications that meet the criteria and are recommended.
- The City Council will review any such resolution and vote to approve or deny it.
- The City Clerk will notify the applicant of the City Council's decision.
- If a resolution is approved, the City Clerk will direct Public Works to fabricate an honorary sign, determine the date for it to be installed and notify the applicant.
