1. That in lieu of constructing a sidewalk along the north side of Manchester Road fronting the Subject Property, the Applicant shall complete the sidewalk system on the south side of Manchester Road along the length of the Subject Property. The location of the sidewalk shall be subject to the reasonable approval of the Director of Engineering.
2. That the applicant revise the plans to indicate the presence of the floodplain and delineate any wetlands on the subject property.
3. That the applicant revise the plans to comply with the City of Wheaton off-street parking design and construction standards contained in Article 22.4 of the Wheaton Zoning Ordinance, and the accessible parking requirements of the Illinois Accessibility Code.
4. That the current landscaping south of the existing stormwater detention facility will be relocated south of the reconstructed stormwater detention facility, and that additional evergreen trees and shrubs be added along the berm, subject to the reasonable approval of the Director of Planning and Economic Development. Should any of the existing landscape materials not survive the transplanting, those materials must be replaced. All replacement landscape materials will be subject to approval by the Director of Planning and Economic Development.

Section 3: All ordinances or parts of ordinances in conflict with these provisions are repealed.

Section 4: This ordinance shall become effective from and after its passage, approval, and publication in pamphlet form in the manner prescribed by law.
