City of Wheaton, Illinois

**TO:** Mike Dzugan City Manager  
**FROM:** Joan M. Schouten, MBA CPIM CPPB Procurement Officer  
**DATE:** July 8, 2016  
**RE:** Recommendation to Award

## *Engineering Services: Design of Parking Lot Resurfacing City Lots #2 and #7*

**Solicitation Process:** solicitation distributed to qualified firms and posted on the City's website

**Recommended Service Provider:** Gewalt Hamilton Associates.

The adopted FY 2017 Parking Fund includes \$20,000 for parking lot rehabilitation design services.

**Budget:** **\$20,000**

**Request for Purchase:** **\$17,960 (design only)**

**Available Budget:** **\$ 2,040**

**Background:** The city's decision to purchase the above engineering design services is based on the following:

- Parking Lots #2 [Wesley St between Main and Hale], and #7 [Southeast corner of Willston and Crescent] require renovation.
- An engineering consulting firm is required to review the lots and prepare specifications based on the functionality, conditions and ADA compliance.
- Notices were:
  - Sent to six (6) firms identified by engineering as qualified.
  - Posted on the city website.
    - Ten (10) engineering firms, interested in doing business with the city and registered for the RSS feed, contacted the Procurement Officer to learn the process to become a qualified service provider.
    - Of these 10 firms, six (6) submitted Qualifications.
- One week prior to the due date, a reminder notice was sent to the six (6) qualified firms, and five (5) firms expressing consideration for qualified status.
- Eight (8) proposals were submitted by service providers deemed qualified and approved by engineering.
- The bidder offering the best value to the city is Gewalt Hamilton Associates.
  - Two bidders, including the lowest bidder, were deemed non-compliant. Baxter-Woodman's proposal was contingent on exceptions to contract language. ESI Consultants omitted pricing for one required task. Both are deemed non-responsive.
  - The remaining six (6) proposals were reviewed for projected number of hours and costs for: (a) design services only, and (b) design services and construction oversight costs.
    - Bid range (without construction oversight): \$17,960 (144 hrs) -\$31,478 (361 hrs)
    - Bid range (with construction oversight): \$47,960 (444 hrs) -\$57,654 (510 hrs)

Intent to Award: Gewalt Hamilton Associates

The City Council is scheduled to make a ruling on this recommendation on: July 18, 2016

*The City wishes to thank all bidders for participating in this solicitation. The City recognizes and appreciates the time and effort your firm put into preparing and submitting your proposal. The city invites you to bid on future solicitations which are posted on the city's website at [www.wheaton.il.us/bids](http://www.wheaton.il.us/bids).*

*The City of Wheaton is looking for ways to reduce costs and create better returns for our investments. Please advise the City if you have any suggestions that can provide: cost savings; quality improvements; improved resource utilization; versatility; standardization; modifications in delivery, inventory or consignment practices; value analysis; or other.*
