LED LIGHTING INSTALLATION

Amendment #1

The following changes / clarifications / additions have been added to the bid project specifications and plans:

1. **CLARIFICATION:** Changes have been made to the Scope of Work. The revised cost proposal page is attached.
 - a. The quantity for Items (i.) and (j.) has changed. The correct number of wall packs is 11.
 - b. Item (k.) was removed from the Scope of Work. We will not be removing the ground flood fixtures.

2. **QUESTION:** Are the pole lights changing height?
ANSWER: No

3. **QUESTION:** What does the 5-year labor warranty mean? Does it include problems with materials?
ANSWER: The 5-year warranty covers workmanship of the installation, not material issues.

4. **QUESTION:** How are existing lights controlled? Will new lights be controlled in the same way?
ANSWER: Existing lights are photocell with timer contact inside. New lights will be controlled the same way.

5. **QUESTION:** Are vendors supposed to supply fuses?
ANSWER: Vendors are to supply fuses and wiring from existing concrete base wiring to new LED fixtures.

6. **QUESTION:** What about the bolt pattern for the new poles?
ANSWER: New poles will be pre-drilled to match existing bolt patterns.

7. **QUESTION:** What if nuts and bolts are frozen to the anchor?
ANSWER: We will address that if it happens during installation.

8. **QUESTION:** Are the vendors responsible for verifying power supply to the poles?
ANSWER: The City of Wheaton verified that the power supply to the poles is currently working.

9. **QUESTION:** Will you block off the parking lot during installation?
ANSWER: The City will clear sections of the parking lots based on vendor's installation schedule.

10. **QUESTION:** Where will the poles be?
ANSWER: Poles and equipment will be received by the City at the Public Works storage facility.

11. **QUESTION:** What about the two poles that have to be drilled?
ANSWER: The two existing poles in the visitor parking lot will need to be drilled for the new fixture to be mounted to.

12. **QUESTION:** Will the new fixtures have shields?
ANSWER: No.
