# New Location for Vintage Rides Car Shows This Year

Due to construction on Front Street, this year's Vintage Rides car shows will temporarily be moved to Hale Street on the south side of the railroad tracks.

The Downtown Wheaton Association is gearing up for summer with their Vintage Rides event, which takes place on Friday nights from 6 p.m. to 9 p.m., May 18 through Aug. 31. Like in previous years, this antique car show in historic Downtown Wheaton will feature all makes of cars from Model T's to Teslas and everything in between.

Due to improvements taking place on Front Street this summer, the event will move south of the train tracks to Hale Street, between Liberty and Willow streets. Space for cars will be limited and is on a first-come, first-served basis. The street will be closed at 5 p.m. to allow classic cars to arrive and park, and the show officially

begins at 6 p.m. This move is temporary for the 2018 summer only, but it provides a fresh, new venue for this family-favorite event.

Spectators will admire classic cars, motorcycles and trucks of many makes, models and years. Some of the downtown restaurants will be at the show selling tasty treats for visitors' refreshment, and there will be a DJ spinning tunes. Restrooms also will be provided for visitors' convenience.

The event will have a different theme each week, including:

- May 18: Welcome Back Night
- May 25: Piano Night: Billy Joel & Elton John
- June 1 & 2: Easy & Mix\*
- June 8: Country

- June 15: Movie Themes
- June 22: 70's Corvette
