CITY NOTES

Halloween Trick-or-Treating Hours

The official trick-or-treating hours in Wheaton are 3 p.m. to 7 p.m. Thursday, Oct. 31. The City asks that drivers use extra caution on Halloween to ensure the safety of trick-or-treaters.

Pumpkin Smash Collection

The City of Wheaton's Environmental Improvement Commission will once again host a "Pumpkin Smash" drop-off for pumpkins right after Halloween. This collection will allow you to drop off pumpkins (please remove decorations first) to be composted, rather than going to the landfill.

The event will take place on Saturday, Nov. 2 from 9 a.m. to noon in the commuter parking lot at Liberty and Carlton.

New Payment System Debuts Soon for Daily Fee Parking

Payment options include mobile app and credit card

This month, the City will roll out a new parking payment system for daily fee commuter parking, offering convenient new ways to pay.

Previously, users of the daily fee parking spaces in the City's commuter lots and spaces near the City's two Metra stations used either a pay box in the lots or street meters that only accepted coins. The new system will replace these with two options: using new digital kiosks or using the Passport Parking app on a mobile device.

Parking App

The City's new system allows users to pay for daily fee parking using an app on your phone. Simply

search for the Passport Parking app where you download apps for your phone, and follow the directions to set up an account. Using the app will allow you to skip going to a kiosk. A convenience fee of \$0.32 applies for payments using the parking app.

Payment Kiosks

New digital kiosks replace the daily fee

(Continued on next page)

Street signs will designate daily fee parking spaces that will use this system.

pay boxes in the City's commuter lots and some of the metered all-day parking spaces. Look for signs near these parking spaces for more information.

The kiosks accept cash (exact change only) and credit cards. The kiosks are located:

- At the corner of Liberty & Carlton (for Lot 9 daily fee parking and 12-hour spaces along Carlton)
- President Street where it meets the

railroad tracks

- College Avenue train station (2 kiosks)

Note that however you choose to pay, you will need to know your license plate number, which you will enter at the kiosk or on your mobile phone (if using the Passport app).

Leaf Collection Reminders

This fall, the City of Wheaton reminds you of the ways you can properly dispose of leaves. Place leaves in containers 35 gallons in size or smaller, or in biodegradable bags. Containers or bags must weigh less than 50 pounds when filled. Each container or bag requires a Lakeshore Recycling Systems yard waste/ organics/ excess garbage sticker, which is available at City Hall and at many local grocery and hardware stores.

When you're cleaning up leaves,

please be careful not to blow or rake them into the streets. Doing so can prevent storm sewers from functioning properly and can lead to flooding. If your house is located near a storm sewer catch basin, please help keep it clear by sweeping away

leaves and debris from the sewer grate. Also, please note that burning leaves is not allowed.

Lakeshore Recycling Systems collects yard waste, food scraps and organic materials on your garbage day through the second full week of December.

Five Steps to Disaster Preparedness

The Illinois Emergency Management Agency encourages you to prepare for potential emergencies at home, work, and in the community.

Having a plan that includes where to go and how to communicate during disasters, building an emergency supply kit and learning lifesaving skills could help you during a disaster.

Here are five steps to Disaster Preparedness:

1. Save Early for a Disaster: Can you afford an emergency? According to the Federal Reserve, 40 percent of Americans do not have \$400 in savings.

Operation Hope is a nonprofit that provides disaster preparedness planning. They work with adults, youth and disaster survivors to equip them with the financial knowledge and tools to create a secure future.

2. Learn Lifesaving Skills: Everyday citizens can be first responders. This is a great time to learn lifesaving skills, such as CPR and first aid techniques, in order to provide immediate aid until help arrives.

3. Make a Plan for When a Disaster Strikes: Your family may not be together if a disaster strikes, so know which types of disasters could affect your area

and how you will contact one another and reconnect if separated.

4. Teach Youth How to Prepare for Disasters: Disaster planning, response, and recovery efforts should include the unique needs of children. Get kids involved in building their own emergency kit. Include your child's favorite stuffed animals, board games, books or music in their emergency kit to comfort them in a disaster.

5. Get Involved in Community Preparedness: Check in with your neighbors to see how you can help each other before, during and after a storm.

Firefighter Honored with Award of Valor

Craig Williams

Wheaton Firefighter Craig Williams was recently selected as a recipient of the DuPage 100 Club 2019 Award of Valor. He is receiving the award for his involvement in the West Chicago structure fire that occurred April 17 in the 100 block of West Grand Lake Boulevard.

Williams and several members of Carol Stream Fire Protection District subjected themselves to extreme fire conditions to rescue a trapped 92-year-old man from the home. While all personnel operating on the scene that night worked under extreme conditions at a high level, the personnel being recognized were selected for going above and beyond the call of duty. Congratulations to Craig Williams for receiving this honor.
