WHEREAS, The City of Wheaton, Illinois ("City") is an Illinois home rule municipality pursuant to the provisions of Article VII, Section 6 of the Illinois Constitution, 1970, and as such the City may exercise any power or perform any function pertaining to its government and affairs; and

WHEREAS, the City has determined it to be in the best interests of the City and its residents to consider certain amendments to the Wheaton Liquor Control Ordinance.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Wheaton, DuPage County, Illinois, pursuant to its home rule powers, as follows:

Section 1: That Sec. 6-87, subsection (9) is hereby repealed and rescinded in their entirety and replaced with a new Section 6-87 subsection (9) which shall read as follows:

"Sec. 6-87. - Classification of licenses.

Alcoholic liquor licenses authorized to be issued under this chapter shall be, and are hereby, divided into the following classes:

(9) Class I license shall authorize the retail sale in restaurants of alcoholic liquor for consumption on the restaurant premises, package sales of bottles of wine which are otherwise sold by the establishment by the glass and/or bottle and specialty spirits not readily available in mass-market retail stores which are used as ingredients in cocktails sold in their restaurant. No such license may be granted to or retained by any establishment in which the facilities for food preparation and service are not primarily those of a restaurant which has a dining capacity of not less than 125. Alcoholic liquor may be sold in a restaurant holding a Class I license only during the period when patrons of the licensee are offered a complete meal, or where a limited menu is offered for lunch or after 11:00 p.m. which has been approved by the local liquor commission. A Class I licensee may also maintain and operate a lounge within the same premises, provided that such lounge area shall only contain a maximum of one square foot of floor space for every five square feet of floor space in the non-lounge areas of the restaurant.

A lounge shall be subject to the following additional restrictions:

- a. There shall be a single entrance for both the restaurant and lounge. The single entrance shall not permit patrons direct ingress to the lounge.
- b. A complete meal or, when approved, a limited menu shall be offered for and available to the patrons of the lounge.
- c. There shall be a physical separation between the restaurant and lounge in consideration of those patrons who wish to remain apart from the lounge.
- d. The lounge may not be opened beyond the hours specified in section 6-129 nor at any time when the dining room is closed."

Section 2: All ordinances, or parts of ordinances, in conflict with these provisions are hereby repealed.
