Please note that leaf burning is not permitted. It is also illegal to rake or blow leaves onto the street, as this practice can clog storm sewers and cause flooding.

If possible, please help remove leaves and sticks near the storm sewers that are near your house to help them function properly.

Leaves will be collected on the same day as your regular garbage and recycling pickup through Dec. 12, 2014.

An environmentally friendly alternative to placing your leaves out for collection is to compost leaves into mulch for your yard.
