3.3 Use of Subcontractors. The Contractor shall perform the Services with its own personnel and under the management, supervision, and control of its own organization unless otherwise approved in advance by the City in writing. All subcontractors and subcontracts used by the Contractor shall be acceptable to, and approved in advance by, the City. The City's approval of any subcontractor or subcontract shall not relieve the Contractor of full responsibility

and liability for the provision, performance, and completion of Services as required by this Agreement. All Services performed under any subcontract shall be subject to all of the provisions of this Agreement in the same manner as if performed by employees of the Contractor. For purposes of this Agreement, the term "Contractor" shall be deemed also to refer to all subcontractors of the Contractor, and every subcontract shall include a provision binding the subcontractor to all provisions of this Agreement.

3.6 Corporate Authorities of the City. Notwithstanding any provision of this Agreement, any negotiations, or agreements with, or representations by the Contractor to, vendors shall be subject to the approval of the City Manager or Corporate Authorities of the City. For the purposes of this Section, "vendors" shall mean entities engaged in subcontracts for the provision of additional services directly to the City. The City shall not be liable to any vendor or third party for any agreements made by the Contractor without the knowledge and approval of the City Manager or of the City's Corporate Authorities.

SECTION 4. COMPENSATION AND METHOD OF PAYMENT.

4.1 Agreement Amount. The total amount billed by the Contractor for the Services performed for the Project under this Services Agreement shall not exceed **\$61,300** including reimbursable expenses, without the prior express written authorization of the City.

4.2 Invoices and Payments. The Contractor shall be paid in accordance with the amount set forth in the Proposal (**Group Exhibit B**). Contractor shall submit to the City a monthly itemized statement ("Invoice") which indicates Services completed and hours of Services rendered by Contractor. The Invoice shall describe the amount of Services and supplies provided since the initial commencement date, or since the start of subsequent billing periods, as appropriate, through the date of the Invoice. Authorization of payment requires the receipt by the City of such invoices from the Contractor containing sufficient detail of the Services performed to enable the City to properly evaluate the payout request; acceptance by the City of

the Services, including materials and/or equipment; and receipt of other paperwork required by this Agreement, such as properly filled out and executed Certified Payrolls, Lien Waivers, supplier's invoices to justify material mark-up, and receipts for subcontracted services. The City shall pay the Contractor in compliance with the Local Government Prompt Payment Act. The City shall use its best efforts to make payments within thirty (30) days after review and approval of the invoice. Each payment requires the City Council's approval of the expenditure which occurs at publicly scheduled meetings. Invoices shall be submitted within six (6) months of the date Services were performed. Any Invoices submitted more than six (6) months from the date Services were performed will not be paid. Under no circumstances will a third party be reimbursed for Services provided under this Agreement.

4.3. Unappropriated Funds. The obligation of the City for payment to the Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of this Agreement into a subsequent fiscal period is subject to the appropriation of funds, unless otherwise authorized by law.

4.4. Taxes, Benefits, and Royalties. The Agreement Amount includes all applicable federal, state and City taxes of every kind and nature applicable to the Services as well as all taxes, contributions, and premiums for unemployment insurance, old age or retirement benefits, pensions, annuities, or similar benefits and all costs, royalties, and fees arising from the use of, or the incorporation into, the Services, of patented or copyrighted equipment, materials, supplies, tools, appliances, devices, processes, or inventions. All claims or right to claim additional compensation by reason of the payment of any such tax, contribution, premium, costs, royalties, or fees is hereby waived and released by Contractor.

4.5. Interest Waiver. Contractor hereby waives any and all claims or rights to interest or money claimed to be due pursuant to this Agreement, and all such rights to interest to which it may otherwise be entitled pursuant to law, including, but not limited to, the Local Government Prompt Payment Act (50 ILCS 505/1 *et seq.*) as amended, or the Illinois Interest Act (815 ILCS 205/1, *et seq.*) as amended.

4.6. Account Records. The Contractor shall maintain records showing actual time devoted and costs and expenses incurred in connection with the Services performed under this Agreement and shall permit the authorized representative of the City to inspect, audit and make copies of all data and records of the Contractor for the Services done under this Agreement. All such records shall be clearly identifiable. The records shall be made available to the City during normal business hours during the Agreement period, and for three years after the termination of the Agreement.

SECTION 5. REPRESENTATIONS OF CONTRACTOR.

5.1 Standard of Care. The Contractor represents, certifies, and warrants that it shall perform and complete the Services in a manner consistent with the level of care, skill, and

diligence exercised by other recognized Contractors in the Wheaton area, under similar circumstances at the time the Services are performed. Contractor agrees that all employees shall have sufficient skill and experience to perform the Services assigned to them. The representations, certifications, and warranties expressed herein shall be in addition to any other representations, certifications, and warranties expressed in this Agreement, or expressed or implied by law, which are hereby reserved unto the City. Contractor shall perform, at its own cost and expense and without reimbursement from the City, any services or work necessary to correct errors or omissions which are caused by the Contractor's failure to comply with the standard of care provided for herein. Any employee of the Contractor who is determined by the City to be uncooperative, incompetent, a threat to the adequate or timely completion of the Project, a threat to the safety of persons or property, or any employee who fails or refused to perform the Services in a manner acceptable to the City, shall be promptly removed from the Project by the Contractor and shall not be re-employed to perform any of the Services on the Project.

5.2 Solvency. The Contractor represents that it is financially solvent and has the necessary financial resources to perform the Services with the standard of care required under this Agreement.

SECTION 6. INDEMNIFICATION; INSURANCE; LIABILITY.

6.1 Indemnification. The Contractor shall be responsible for any and all damages to property or persons arising out of an error, omission, and/or negligent act by Contractor, or its employees, agents or subcontractors, in the provision of Services or failure to provide the Services and shall indemnify, hold harmless, and defend the City, its elected or appointed officials, directors, officers, employees, attorneys, and agents (hereinafter collectively, the "**City Indemnitees**") from all lawsuits, actions, claims, demands, losses, damages, injuries, liabilities, fines, judgments, settlement, penalties, costs, and expenses of any nature whatsoever (hereinafter the "**Claims**") resulting therefrom. The Contractor shall assume all restitution and repair costs arising out of such errors, omissions and/or negligence.

The Contractor, without regard to the availability or unavailability of any insurance, either of the City or of the Contractor, shall indemnify, save harmless, and defend the City and City Indemnitees, in whole or in part from and against any and all Claims, including, but not limited to reasonable expert witness and attorneys' fees, as well as costs of litigation incident thereto, and any Claims made by employees of the Contractor or any of its subcontractors, as well as all other persons, that arise, or may be alleged to have arisen, out of or in connection with: (i) Contractor's failure to meet the representations and certifications set forth in **Section 5** and **Section 9** of this Agreement; (ii) Contractor's infringement of any patent or copyright in the sale or use of materials, processes, products, goods, or devices provided to the City or City Indemnitees by Contractor or Contractor's employees, agents or subcontractors and (iii) the Work covered by this Agreement or the equipment used in connection therewith. It is understood that this agreement shall apply to any and all Claims whether arising from the negligence or the intentional acts of the Contractor, the Contractor's employees or subcontractors, the City or City

Indemnitees or otherwise, with the single exception of any claim, damage, loss, or expense arising solely out of the negligence or intentional misconduct of the City or City Indemnitees. The Contractor is solely responsible for determining the accuracy and validity of any information provided to the Contractor by the City or its representatives. This indemnification shall apply to the fullest extent of the law, and in the event that any provision hereof is determined to be unenforceable, the indemnification obligations shall be severable and the fullest extent of indemnification that may lawfully apply shall remain in full force and effect.

In the event any such Claim is asserted, any such money due the Contractor under and by virtue of the Agreement as shall be deemed necessary by the City for the payment thereof, may be retained by the City for said purpose, or in case no money or insufficient money is due to satisfy such Claim, the Contractor's Surety (if a bond is required by this Agreement) shall remain liable for any payment therefore until any such Claim has been settled or has been fully judicially determined and satisfied.

Contractor (and any subcontractor into whose subcontract this clause is incorporated) shall assume the entire liability for all personal injury claims suffered by its own employees and waives any limitation of liability defense based upon the Worker's Compensation Act and cases decided there under. Contractor agrees to indemnify and defend the City and City Indemnitees from and against all such loss, expense, damage, or injury, including reasonable attorneys' fees, which the City or City Indemnitees may sustain as a result of personal injury claims by Contractor's employees, except to the extent those claims arise as a result of the City's own negligence.

The obligation on the part of the Contractor to defend, hold harmless, and indemnify the City shall survive the expiration or termination of this Agreement. Nothing in this Agreement shall be construed as prohibiting the City or City Indemnitees from defending, through the selection and use of their own agents, attorneys and experts, any Claims brought against them arising out of the performance of this Agreement.

In the event that any claim for indemnification hereunder arises from the negligence or willful misconduct of both the Contractor and the City, the parties agree that any and all lawsuits, claims, demands, damages, liabilities, losses, fines, judgments, settlements, penalties, costs, and expenses shall be apportioned between the parties on the basis of their comparative degrees of fault, except as otherwise herein provided.

6.2 Insurance. Contemporaneous with the Contractor's execution of this Agreement, the Contractor shall provide certificates and policies of insurance, all with coverages and limits acceptable to the City, and evidencing at least the minimum insurance coverages and limits as set forth by the City in the **Special Provisions for: Insurance Coverage for Contractual Services** included in **Exhibit C** to this Agreement. The City shall be included under the Contractor's insurance as an additional primary insured with respect to claims and/or liability arising out of Services performed for the City by the Contractor. All subcontractors shall comply with each and every insurance provision in **Exhibit C**. Contractor shall therefore not allow any subcontractor to

commence work/services on any subcontract to perform any part of the Services until it has provided evidence satisfactory to the City that the subcontractor has secured all insurance required under this Agreement. The insurance described herein as set forth in **Exhibit C** shall be maintained for the duration of the Agreement, including any warranty period.

6.3 No Personal Liability. No elected or appointed official, director, officer, agent, or employee of the City shall be personally liable, in law or in contract, to the Contractor as the result of the execution, approval or attempted execution of this Agreement.

6.4 Governmental Immunity. Nothing in this Agreement shall be construed as a waiver of any and all privileges, immunities, or defenses provided to or enjoyed by the City under common law or pursuant to statute, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/2-101 *et. seq.*

6.5 Third Party Beneficiaries. There are no third-party beneficiaries of this Agreement.

6.6 Limitation of Liability. CITY SHALL NOT BE LIABLE TO CONTRACTOR FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE, OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION, LOST PROFITS (DIRECT OR INDIRECT) AND LOST REVENUES HOWSOEVER ARISING, WHETHER OR NOT CHARACTERIZED IN NEGLIGENCE, TORT, CONTRACT OR OTHER THEORY OF LIABILITY, EVEN IF CITY HAS BEEN ADVISED OF THE POSSIBILITY OF OR COULD HAVE FORESEEN ANY SUCH DAMAGES.

SECTION 7. CONFIDENTIAL INFORMATION.

7.1 Confidential Information. The term "**Confidential Information**" shall mean information in the possession or under the control of the City relating to the technical, business, or corporate affairs of the City; City property; user information, including, without limitation, any information pertaining to usage of the City's computer system, including and without limitation, any information obtained from server logs or other records of electronic or machine readable form; and the existence of, and terms and conditions of, this Agreement. City Confidential Information shall not include information that can be demonstrated: (i) to have been rightfully in the possession of the Contractor from a source other than the City prior to the time of disclosure of said information to the Contractor under this Agreement ("**Time of Disclosure**"); (ii) to have been in the public domain prior to the Time of Disclosure; (iii) to have become part of the public domain after the Time of Disclosure by a publication or by any other means except an unauthorized act or omission or breach of this Agreement on the part of the Contractor or the City; or (iv) to have been supplied to the Contractor after the Time of Disclosure without restriction by a third party who is under no obligation to the City to maintain such information in confidence.

7.2 No Disclosure of Confidential Information by the Contractor. The Contractor acknowledges that it in the event that it shall, in performing the Services for the City under this Agreement, have access to or be directly or indirectly exposed to Confidential Information, that Contractor shall hold confidential all Confidential Information and shall not disclose or use such Confidential Information without express prior written consent of the City. The Contractor shall use reasonable measures at least as strict as those the Contractor uses to protect its own confidential information. Such measures shall include, without limitation, requiring employees and subcontractors of the Contractor to execute a non-disclosure agreement before obtaining access to Confidential Information.

7.3 Breach of Confidentiality. In the event of breach of the confidentiality provisions of **Section 7** of this Agreement, it shall be conclusively presumed that irreparable injury would result to the City and there would be no adequate remedy at law. The City shall be entitled to obtain temporary and permanent injunctions, without bond and without proving damages, to enforce this Agreement. The City shall be entitled to damages for any breach of the injunction, including but not limited to compensatory, incidental, consequential, exemplary, and punitive damages. The confidentiality provisions of this Agreement survive the termination or performance of this Agreement.

SECTION 8. TERM, TERMINATION and DEFAULT.

8.1 Term. This Agreement shall become effective upon the latter of the date accepted and signed by the City and the date accepted and signed by the Contractor, and shall continue in full force and effect until the earlier of the following occurs: (i) the termination of this Agreement; or (ii) final completion of all items of Services specified in the Agreement by **August 25, 2023** or to a new date mutually agreed upon by the parties in writing, or (iii) the completion by Contractor and City of their respective obligations under this Agreement, in the event such completion occurs before the date(s) in item (ii) above. A determination of completion shall not constitute a waiver of any rights or claims which the City may have or thereafter acquire with respect to any term or provision of this Agreement.

The City, at its option, may extend this Agreement (the "Option") for two (2) additional one-year terms if the Service Provider agrees to honor the prices, and all terms, conditions, and specifications of this Agreement. If the City exercises this Option, the extended Agreement shall be considered to include this Option provision.

8.2 Termination. Notwithstanding any other provision hereof, the City may terminate this Agreement, with or without cause, at any time upon fifteen (15) days prior written notice to the Contractor. In the event that this Agreement is so terminated, the City shall pay Contractor for the Services performed and reimbursable expenses actually incurred as of the effective date of termination, less any sums attributable, directly, or indirectly, to Contractor's breach of this Agreement. The written notice required under this subsection shall be either (i) served personally during regular business hours; (ii) served by facsimile during regular business

hours (iii) served by certified or registered mail, return receipt requested, addressed to the address listed at the end of this Agreement with postage prepaid and deposited in the United States mail or (iv) by e-mail sent to the Contractor's Key Project Personnel. Notice served personally, by facsimile transmission or e-mail shall be effective upon receipt, and notice served by mail shall be effective upon receipt as verified by the United States Postal Service. Contractor shall provide the City with its Key Project Personnel's e-mail address upon its execution of this Agreement. On receiving such notice, Contractor shall, unless the notice directs otherwise, immediately discontinue all Services under this Agreement. As soon as practicable after receiving the termination notice, Contractor shall submit an invoice to the City showing in detail the Services performed under this Agreement up to the termination date. Contractor's receipt of payment for Services rendered upon City's termination of this Agreement, is Contractor's sole and exclusive remedy for termination for convenience by the City. City's termination for convenience does not constitute a default or breach of this Agreement.

If this Agreement is terminated as provided herein, City may require Contractor to provide all finished or unfinished documents and data and other information of any kind prepared by Contractor in connection with the performance of the Services under this Agreement. Contractor shall be required to provide such documents, data, and other information within fifteen (15) days of the request.

8.3 Default. If it should appear at any time that the Contractor has failed or refused to perform, or has delayed in the performance of, the Services with diligence at a rate that assures completion of the Services in full compliance with the requirements of this Agreement, or has otherwise failed, refused, or delayed to perform or satisfy the Services requirements or any other requirement of this Agreement ("**Event of Default**"), then the City shall have the right, without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

1. **Cure by Contractor.** The City may require the Contractor, within a reasonable time, to complete or correct all or any part of the Services that are the subject of the Event of Default; and to take any or all action necessary to bring the Contractor and the Services into compliance with this Agreement.
2. **Termination of Agreement by City.** The City may terminate this Agreement as to any or all Services yet to be performed, effective at a time specified by the City, and shall pay Contractor for the Services performed or reimbursable expenses actually incurred as of the effective date of termination.

3. **Withholding of Payment by City.** The City may withhold from any payment, whether or not previously approved, or may recover from the Contractor, any and all costs, including attorneys' fees and administrative expenses, incurred by the City as the result of any Event of Default by the Contractor or as a result of actions taken by the City in response to any Event of Default by the Contractor.

SECTION 9. COMPLIANCE WITH LAWS AND GRANTS.

9.1 **Freedom of Information Act.** The Contractor shall, within four (4) business days of the City's request, provide any documents in the Contractor's possession related to this Agreement which the City is required to disclose to a requester under the Illinois Freedom of Information Act ("FOIA"). This provision is a material covenant of this Agreement. Contractor agrees to not apply any costs or charge any fees to the City regarding the procurement of records required pursuant to an FOIA request. Should Contractor request that the City utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, Contractor agrees to pay all costs connected therewith (such as reasonable attorneys' fees and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged, or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. Contractor agrees to defend, indemnify, and hold harmless the City, and agrees to pay all costs in connection therewith (such as reasonable attorneys' and witness fees, filing fees, and any other expenses) to defend any denial of a FOIA request by Contractor's request to utilize a lawful exemption to the City.

9.2 **Generally: Permits/Codes/Business Laws/Safety Standards/Grants.** Contractor shall give all notices, pay all fees, and take all other action that may be necessary to ensure that the Services are provided, performed, and completed in accordance with all required governmental permits, licenses, or other approvals and authorizations that may be required in connection with providing, performing, and completing the Services, and will comply with all applicable municipal, county, state and federal statutes, ordinances, rules, and regulations, including without limitation all applicable building and fire codes, now in force or which may hereafter be in force, any statutes regarding qualification to do business, and all local, state and federal safety standards. Contractor shall comply with all conditions of any federal, state, or local grant received by Owner or Contractor with respect to this Agreement or the Services. Contractor shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with Contractor's, or its subcontractors', performance of, or failure to perform, the Services or any part thereof. Every provision of law required by law to be inserted into this Agreement shall be deemed to be inserted herein.

9.3 **No Delinquent Taxes.** The Contractor represents and certifies that the Contractor is not barred from contracting with a unit of state or local government as a result of a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless
