3.3 Use of Subcontractors. The Service Provider shall perform the Services with its own personnel and under the management, supervision, and control of its own organization unless otherwise approved in advance by the City in writing. All subcontractors and subcontracts used by the Service Provider shall be acceptable to, and approved in advance by, the City. The City's approval of any subcontractor or subcontract shall not relieve the Service Provider of full responsibility and liability for the provision, performance, and completion of Services as required by this Agreement. All Services performed under any subcontract shall be subject to all of the provisions of this Agreement in the same manner as if performed by employees of the Service Provider. For purposes of this Agreement, the term "Service Provider" shall be deemed also to refer to all subcontractors of the Service Provider, and every subcontract shall include a provision binding the subcontractor to all provisions of this Agreement. Upon the City's request Service Provider shall furnish the City with a copy of its agreement with any subcontractor performing Services required under this Agreement.

3.4 Removal of Personnel and Subcontractors. If any personnel or subcontractor fails to perform the Services in a manner satisfactory to the City and consistent with commonly accepted professional building inspection practices, the Service Provider shall immediately upon notice from the City remove and replace such personnel or subcontractor. The Service Provider shall have no claim for damages, for compensation in excess of the amount contained in this Agreement, or for a delay or extension of the Time of Performance as a result of any such removal or replacement.

3.5 No Additional Obligation. The Parties acknowledge and agree that the City is under no obligation under this Agreement or otherwise to negotiate or enter into any other or additional contracts or agreements with the Service Provider or with any vendor solicited or recommended by the Service Provider.

SECTION 4. COMPENSATION AND METHOD OF PAYMENT.

4.1 Agreement Amount. The total amount billed by the Service Provider for the Services performed under this Agreement shall not exceed **\$61,000** including reimbursable expenses, without the prior express written authorization of the City.

4.2 Invoices and Payments. The Service Provider shall be paid in accordance with the amounts set forth in the Proposal (**Group Exhibit B**). The Service Provider shall submit an itemized invoice(s) containing sufficient detail of the Services performed to enable the City to properly evaluate the payout request. The City shall pay Service Provider in accordance with the Illinois Local Government Prompt Payment Act. The City shall make all payments on the basis of approved invoices and supporting documents. The City shall use its best efforts to make payments within thirty (30) days after review and approval of the invoice. Each payment requires the City Council's approval of the expenditure which occurs at publicly scheduled meetings. Invoices shall be submitted to the City within six (6) months of completion of the Services. Any invoices submitted in excess of six (6) months from the date that Services were completed will not be paid. Under no circumstances will a third party be reimbursed for Services performed under this Agreement.

4.3 Unappropriated Funds. The obligation of the City for payment to the Service Provider is limited to the availability of funds appropriated in a current fiscal period, and continuation of this Agreement into a subsequent fiscal period is subject to the appropriation

of funds, unless otherwise authorized by law.

4.4 Taxes, Benefits, and Royalties. The Agreement Amount includes all applicable federal, state and City taxes of every kind and nature applicable to the Services as well as all taxes, contributions, and premiums for unemployment insurance, old age or retirement benefits, pensions, annuities, or similar benefits and all costs, royalties, and fees arising from the use of, or the incorporation into, the Services, of patented or copyrighted equipment, materials, supplies, tools, appliances, devices, processes, or inventions. All claims or right to claim additional compensation by reason of the payment of any such tax, contribution, premium, costs, royalties, or fees is hereby waived and released by Service Provider.

4.5 Interest Waiver. Service Provider hereby waives any and all claims or rights to interest on money claimed to be due pursuant to this Agreement, and all such rights to interest to which it may otherwise be entitled pursuant to law, including, but not limited to, pursuant to the Local Government Prompt Payment Act (50 ILCS 505/1 *et seq.*) as amended or the Illinois Interest Act (815 ILCS 205/1, *et seq.*) as amended.

4.6 Account Records. The Service Provider shall maintain records showing actual time devoted and costs incurred in connection with the Services performed under this Agreement and shall permit the authorized representative of the City to inspect, audit and make copies of all data and records of the Service Provider for the Services done under this Agreement. All such records shall be clearly identifiable. The records shall be made available to the City during normal business hours during the Agreement period, and for three years after the termination of the Agreement.

SECTION 5. DELIVERABLES

5.1 Deliverables. In carrying out its Services, Service Provider must prepare or provide to the City various Deliverables. For purposes of this Agreement, "Deliverables" include work product, which includes, but is not limited to, designs, drawings, plans and specifications, written reviews, recommendations, reports and analyses, schedules, design documentation (including all media and calculations), computer files, software, books and records, as-built drawings, manuals, and other documents and other work product prepared by or on behalf of Service Provider for the City, whether in tangible or intangible or electronic form. Deliverables are the property of the City, and such Deliverables shall be owned by the City irrespective of any copyright notices or confidentiality legends to the contrary which may have been placed in or on such Deliverables. Service Provider shall deliver such Deliverables to the City upon its request, upon termination of this Agreement, or in any event upon completion of the Work.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other material specified in this Agreement or are reasonably necessary for the purpose for which the City made this Agreement or for which the City intends to use the

Deliverables (the "Deficient Deliverables") and such Deficient Deliverables shall be corrected by Service Provider within thirty (30) days after receipt of notice from the City specifying the deficiency. Service Provider's failure to correct any Deficient Deliverables within the required time specified in this **Section 5.1** or as otherwise agreed to by the Parties in writing shall be treated as a default of this Agreement.

5.2 License to Use Deliverables. All patents, copyrights, trademarks, trade names, service marks, trade secrets, software, firmware, industrial design rights, rights of priority, know-how, design flows, methodologies and any and all other intellectual property rights protected under any applicable law, (hereinafter, the "Intellectual Property Rights") incorporated into any of the Deliverables shall remain the sole property of the Service Provider or its respective subcontractors and suppliers, subject to the license granted herein. With respect to such Deliverables and other Intellectual Property Rights used or delivered in the performance of the Services, Service Provider, upon execution of this Agreement, grants to the City (for use by the City and its employees, contractors, and agents) an irrevocable, perpetual, nonexclusive, royalty-free license to use the Intellectual Property Rights included or contained in or incorporated into the Deliverables for purposes of constructing, operating, maintaining, repairing, modifying, completing the construction project work in the event of termination, installing, erecting, adding, improving or altering the City's construction project for which the Deliverables were created (the "Construction Project") at any time. Hereinafter, the above stated purposes shall be collectively referred to as the "Permitted Purposes." The foregoing rights include the rights to retain, copy, execute, modify, create derivative works of, and otherwise use copies of the Deliverables and the Intellectual Property Rights and the information contained therein or related thereto for the Permitted Purposes with respect to the Construction Project and as otherwise provided in this Agreement. The Service Provider shall obtain for the City substantially similar licenses from its Service Providers and subcontractors consistent with this Agreement. Service Provider's obligation shall be to use commercially reasonable efforts to obtain such license rights and in the event Service Provider cannot obtain a substantially similar license from a Service Provider or subcontractor as required herein, Service Provider shall promptly notify the City and the Parties shall work together in good faith and in an expedited manner to obtain a license adequate to support all of the Permitted Purposes. Notwithstanding the foregoing, the City acknowledges that the Deliverables are prepared and furnished by the Service Provider pursuant to this Agreement and are not intended or represented to be suitable for use or reuse by the City or others on any project other than the Construction Project or on any future projects. Any use or reuse on any project other than the on-going or completed Construction Project or on any future project without prior written verification or adaption by Service Provider for the specific purpose intended will be at the City's sole risk and without liability to the Service Provider and Service Provider's Service Providers.

5.3 Warranty. Service Provider warrants that: (i) all Intellectual Property Rights that may exist in the Deliverables furnished under this Agreement in connection with the Services are now (or shall at their incorporation into the Work be) vested in the Service Provider or (ii) Service Provider will be able to grant the City the license rights referred to in **Section 5.2** so that the City

may timely, and as it may reasonably require, exercise such rights in connection with the Construction Project.

5.4 Infringement Claims. If the City or any of the Construction Project work, or any component thereof becomes subject to a claim of infringement or if Service Provider believes it may be subject to such a claim, Service Provider shall remedy such claim at its expense and at its option by any reasonable means, including: (i) replacing or modifying the allegedly infringing elements, or (ii) securing for City the right to continue to use such element(s), in each case without loss of functionality and without adversely affecting the on-going or completed Construction Project or any license and rights granted hereunder. Service Provider shall give prompt written notice to the City if Service Provider believes that any information or technology furnished by City or that City directs the Service Provider to incorporate into the Construction Project Deliverables infringes on any third-party Intellectual Property Rights.

5.5 Injunction. If the City, and/or any City Indemnitee is enjoined from completing, using, operating, or otherwise enjoying the completed Construction Project or any part thereof, or from any Permitted Purpose of any Deliverable or any Intellectual Property Rights as a result of any claim identified in **Section 5.4**, Service Provider shall exercise its best efforts to have such injunction removed at no cost to City or any applicable City Indemnitee. Any failure to secure the removal of such injunction shall not constitute a Force Majeure event. If Service Provider fails to secure the removal of such injunction, it shall continue to defend and remedy such claim in accordance with **Section 6.1**.

5.6 No Release. City's acceptance of Service Provider's engineering designs, drawings, or specifications or any other Services provided pursuant to this Agreement shall not be construed to relieve Service Provider of any obligation under this **Section 5**.

5.7 Survival. The terms and provisions of this **Section 5** shall survive the termination or expiration of this Agreement.

SECTION 6. REPRESENTATIONS OF SERVICE PROVIDER.

6.1 Standard of Care. The Service Provider shall perform and complete the Services in a manner consistent with the level of care, skill, and diligence exercised by other recognized professional Service Providers performing Services of a scope, purpose, or magnitude comparable with the nature of the Services to be provided under this Agreement at the time the Services are performed. The design, preparation of drawings, models, and surveys, the designation or selection of materials and equipment, the selection and supervision of personnel, and the performance of other services under this Agreement, shall be provided pursuant to the standard of performance for the building inspection profession described herein, and shall be in addition to any other representations expressed in this Agreement, or expressed or implied by law, which are hereby reserved unto the City. Service Provider shall be responsible for the professional and technical accuracy of all Services performed and/or Deliverables furnished to

the City, whether by Service Provider, its subcontractors, or others on its behalf. The City's review, approval, or acceptance shall not constitute, or be deemed, a release of the responsibility and liability of the Service Provider, its employees, agents or associates for the exercise of skill and diligence to promote the accuracy and competency of their designs, information, plans, specifications or any other document, nor shall the City's review, approval, or acceptance be deemed to be the assumption of responsibility by the City for any defect or error in any Deliverables prepared by the Service Provider, its employees, associates, agents, or sub-Service Providers. Service Provider shall promptly correct any defective designs, drawings, models, surveys, specifications, or other Deliverables furnished by the Service Provider at no cost to the City. The City's approval, acceptance, use of, or payment for, all or any part of the Service Provider's Services hereunder shall in no way alter the Service Provider's obligations or the City's rights under this Agreement at law or in equity.

6.2 Professional License. The Service Provider represents that it is registered as a professional home inspector with the Illinois Department of Financial and Professional Regulation and that all Service Providers performing Services under this Agreement are properly licensed by the State of Illinois Department of Financial and Professional Regulation and/or the International Code Council.

6.3 Solvency. The Service Provider represents that it is financially solvent and has the necessary financial resources to perform the Services with the standard of care required under this Agreement.

SECTION 7. INDEMNIFICATION; INSURANCE; LIABILITY

7.1 INDEMNIFICATION

7.1.1 Professional Services. With respect to the Service Provider's provision of professional services under this Agreement, the Service Provider, without regard to the availability or unavailability of any insurance, either of the City or of the Service Provider, shall indemnify, and hold harmless (hereinafter collectively the "**Professional Services Indemnification Obligations**"), the City, its past, present, and future elected officials, directors, officers, employees, (hereinafter the "**City Indemnitees**"), from and against any and all lawsuits, claims, allegations, demands, losses, damages, injuries, liabilities, fines, settlements, judgments, penalties, costs and expenses, including but not limited to reasonable expert witness fees, attorneys' fees, and costs recoverable under applicable law (hereinafter collectively "**Professional Services Claims**" or "**Professional Services Claim**"), to the extent caused by any willful or negligent error, omission, or act of the Service Provider, its agents, Service Providers, representatives, or of any person employed by Service Provider, or of anyone for whose acts the Service Provider is legally liable, in the performance or failure to perform professional services under this Agreement.

7.1.2 Liability other than Professional Services, Including Copyright Infringement.

With respect to liability other than that arising out of Service Provider's provision of professional services under this Agreement, the Service Provider without regard to the availability or unavailability of any insurance, either of the City or of the Service Provider, shall indemnify, hold harmless and, not excluding the City's right to participate, defend (hereinafter collectively the **"Other Liability Indemnification Obligations"**), the City, its past, present, and future elected officials, directors, officers, representatives, employees, agents, volunteers, and attorneys (hereinafter the **"City Indemnitees"**), from and against any and all lawsuits, claims, allegations, demands, losses, damages, injuries, liabilities, fines, settlements, judgments, penalties, costs and expenses, including but not limited to reasonable expert witness fees, attorneys' fees, and costs (hereinafter collectively the **"Other Liability Claims"** or **"Other Liability Claim"**), which the City or any City Indemnitee may incur, sustain or be subject to on account of any actual or alleged personal injury, bodily injury, illness, death, or property damage which is proximately caused by or is alleged to be proximately caused by any of the following: (i) any willful or negligent error, omission, or act of the Service Provider, its agents, Service Providers, representatives, or of any person employed by Service Provider, or of anyone for whose acts the Service Provider is legally liable, in the performance of this Agreement; (ii) the actual or alleged violation, misappropriation or infringement of any Intellectual Property Right (as defined in **Paragraph 5.2**) or unauthorized disclosure or use of trade secrets by Service Provider or any person employed by Service Provider or anyone for whose acts the Service Provider is legally liable in connection with the materials, processes, products, goods, devices or Deliverables (as defined in **Section 5**) provided to the City or City Indemnites by Service Provider, or Service Provider's employees, agents or subcontractors. With respect to Service Provider's duty to defend the City and City Indemnites, the Service Provider shall engage legal counsel, subject to the approval of the City and Service Provider's insurer (which approval may not be unreasonably withheld) and shall assume control of the defense of any Other Liability Claims and pay all expenses incurred in connection with such defense, and when such control of defense is assumed by Service Provider's legal counsel. The City may, but does not have the obligation to, engage its own legal counsel, at its own expense, and monitor or associate in the defense of any such matter. Any settlement of any claim or suit against the City related to this Agreement by Service Provider must be made only with the prior written consent of the City Attorney, if the settlement requires any action on the part of the City, such consent to not be unreasonably withheld.

7.1.3 Additional Indemnification Obligation requirements.

Service Provider is not obligated to indemnify the City or City Indemnites for the City's or the City Indemnites' own negligence, but the Professional Services Indemnification Obligations and Other Liability Indemnification Obligations shall apply despite any common liability on the part of the City or City Indemnites and shall not be limited by the limits of any applicable insurance policies required by this Agreement. In the event that any Professional Service Claim and/or Other Liability Claims for indemnification hereunder arises from the negligence or willful misconduct of both the Service Provider and the City or City Indemnites,

the Parties agree that any such claims shall be apportioned between the Parties on the basis of their comparative degrees of fault, except as otherwise provided herein.

In the event that any Professional Services Claim and/or Other Liability Claim is asserted, and money is due to the Service Provider pursuant to this Agreement, the City may, to protect itself against said Claim, retain reasonable amounts relative to the size and merits of the claim, until such time that all such claims have been settled or have been fully judicially determined and satisfied, and evidence to that effect has been furnished to the satisfaction of the City.

In the event that Service Provider is alleged to have infringed upon any Intellectual Property Rights (as defined in **Paragraph 5.2**), in addition to Service Provider's Other Liability Indemnification Obligations, the Service Provider shall, at the sole discretion of the City and at Service Provider's sole expense: (i) procure for the City the right to continue using the infringing subject matter; or (ii) replace or modify the infringing subject matter so that it becomes non-infringing but still complies with the requirements of this Agreement; or (iii) reimburse the City for all payments made to Service Provider relating to or impacted by the infringing material and all costs incurred by the City resulting from such infringement.

To the extent permissible by law, Service Provider waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Professional Services Claims and/or Other Liability Claims, including any claim by any employee of Service Provider that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision, including but not limited to *Kotecki v. Cyclops Welding Corporation*, 146 Ill.2d 155 (1991). The City, however, does not waive any limitations it may have under the Illinois Workers Compensation Act, the Illinois Pension Code, or any other statute.

Service Provider shall be responsible for any losses and costs, with the exclusion of betterment, to repair or remedy work performed under this Agreement resulting from any negligent act or omission, in the performance of its Services or that of its employees' or anyone for whom Service Provider is legally responsible. Acceptance of the Services by the City shall not relieve the Service Provider of the responsibility for subsequent correction of any such negligent error or omissions resulting therefrom. All provisions of this Section shall survive completion, expiration, or termination of this Agreement.

The Professional Services Indemnification Obligations and Other Liability Indemnification Obligations set forth in each and every paragraph of **Section 6** shall apply to the fullest extent permitted by law, and in the event any provision hereof is determined to be unenforceable, the Indemnification Obligations shall be severable and the fullest extent of indemnification that may lawfully apply shall remain in full force and effect. The Professional Services Indemnification Obligations and Other Liability Insurance Obligations shall survive the expiration and termination of this Agreement.

7.2 Insurance. Contemporaneous with the Service Provider's execution of this Agreement, the Service Provider shall provide certificates and policies of insurance, all with coverages and limits acceptable to the City, and evidencing at least the minimum insurance coverages and limits as set forth by the City in the Special Provisions for: Insurance Coverage for Professional Service Providers, which is attached hereto and incorporated as if fully set forth, as **Exhibit C** to this Agreement. The City shall be included under Service Provider's general liability and auto liability insurance as an additional primary insured with respect to claims and/or liability arising out of Services performed for the City by Service Provider. All subcontractors shall comply with each and every insurance provision in **Exhibit C**. Service Provider shall therefore not allow any subcontractor to commence work/services on any subcontract to perform any part of the Services until it has provided evidence satisfactory to the City that the subcontractor has secured all insurance required under this Agreement. The insurance described herein as set forth in **Exhibit C** shall be maintained for the duration of the Agreement, including any warranty period.

7.3 No Personal Liability. No elected or appointed official, director, officer, agent or employee of the City or Service Provider shall be personally liable, in law or in contract as the result of the execution, approval or attempted execution of this Agreement.

7.4 Governmental Immunity. Nothing in this Agreement shall be construed as a waiver of any and all privileges, immunities, or defenses provided to or enjoyed by the City under common law or pursuant to statute, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/2-101 *et. seq.*

7.5 Third Party Beneficiaries. It is recognized that the Services performed by Service Provider are for the benefit of the City and no other party.

7.6 Limitation of Liability. CITY AND SERVICE PROVIDER SHALL NOT BE LIABLE TO EACH OTHER FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE, OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION, LOST PROFITS (DIRECT OR INDIRECT) AND LOST REVENUES HOWSOEVER ARISING, WHETHER OR NOT CHARACTERIZED IN NEGLIGENCE, TORT, CONTRACT OR OTHER THEORY OF LIABILITY, EVEN IF EITHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF OR COULD HAVE FORESEEN ANY SUCH DAMAGES.

7.7 No Control. The Service Provider will neither have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences, or procedures, or for the safety precautions and programs in connection with the construction of the subject project(s).

SECTION 8. CONFIDENTIAL INFORMATION.

8.1 Confidential Information. The term "**Confidential Information**" shall mean information in the possession or under the control of the City relating to the technical, business,

or corporate affairs of the City; City property; user information, including, without limitation, any information pertaining to usage of the City's computer system, including and without limitation, any information obtained from server logs or other records of electronic or machine readable form; and the existence of, and terms and conditions of, this Agreement. City Confidential Information shall not include information that can be demonstrated: (i) to have been rightfully in the possession of the Service Provider from a source other than the City prior to the time of disclosure of said information to the Service Provider under this Agreement ("**Time of Disclosure**"); (ii) to have been in the public domain prior to the Time of Disclosure; (iii) to have become part of the public domain after the Time of Disclosure by a publication or by any other means except an unauthorized act or omission or breach of this Agreement on the part of the Service Provider or the City; or (iv) to have been supplied to the Service Provider after the Time of Disclosure without restriction by a third party who is under no obligation to the City to maintain such information in confidence.

8.2 No Disclosure of Confidential Information by the Service Provider. The Service Provider acknowledges that it shall, in performing the Services for the City under this Agreement, have access to or be directly or indirectly exposed to Confidential Information. The Service Provider shall hold confidential all Confidential Information and shall not disclose or use such Confidential Information without express prior written consent of the City. The Service Provider shall use reasonable measures at least as strict as those the Service Provider uses to protect its own confidential information. Such measures shall include, without limitation, requiring employees and sub-Service Providers of the Service Provider to execute a non-disclosure agreement before obtaining access to Confidential Information.

8.3 Breach of Confidentiality. In the event of breach of the confidentiality provisions of Section 7 of this Agreement, it shall be conclusively presumed that irreparable injury would result to the City and there would be no adequate remedy at law. The City shall be entitled to obtain temporary and permanent injunctions, without bond and without proving damages, to enforce this Agreement. The City shall be entitled to damages for any breach of the injunction, including but not limited to compensatory, incidental, consequential, exemplary, and punitive damages. The confidentiality provisions of this Agreement survive the termination or performance of this Agreement.

SECTION 9. TERM; TERMINATION; and DEFAULT.

9.1 Term. This Agreement shall become effective upon the latter of the date accepted and signed by the City and the date accepted and signed by the Service Provider, and shall continue in full force and effect until the earlier of the following occurs: (i) the termination of this Agreement; or (ii) final completion of the Services specified in the Agreement by **January 31, 2025** or to a new date mutually agreed upon by the parties in writing, or (iii) the completion by Service Provider and City of their respective obligations under this Agreement, in the event such completion occurs before the date(s) in item (ii) above. A determination of completion shall not constitute a waiver of any rights or claims which the City may have or

thereafter acquire with respect to any term or provision of this Agreement.

The City, at its option, may extend this Agreement (the "Option") for two (2) additional one (1) year terms if the Service Provider agrees to honor the prices, and all terms, conditions, and specifications of this Agreement. If the City exercises this Option, the extended Agreement shall be considered to include this Option provision.

9.2 Termination. Notwithstanding any other provision hereof, the City may terminate this Agreement, with or without cause, at any time upon fifteen (15) days prior written notice to the Service Provider. In the event that this Agreement is so terminated, the City shall pay Service Provider for the Services performed and reimbursable expenses actually incurred as of the effective date of termination, less any sums attributable, directly, or indirectly, to Service Provider's breach of this Agreement. The written notice required under this subsection shall be either (i) served personally during regular business hours; (ii) served by facsimile during regular business hours (iii) served by certified or registered mail, return receipt requested, addressed to the address listed at the end of this Agreement with postage prepaid and deposited in the United States mail or (iv) by e-mail sent to the Service Provider's Key Project Personnel. Notice served personally, by facsimile transmission or e-mail shall be effective upon receipt, and notice served by mail shall be effective upon receipt as verified by the United States Postal Service. Service Provider shall provide the City with its Key Project Personnel's e-mail address upon its execution of this Agreement. On receiving such notice, Service Provider shall, unless the notice directs otherwise, immediately discontinue all Services under this Agreement. As soon as practicable after receiving the termination notice, Service Provider shall submit an invoice to the City showing in detail the Services performed under this Agreement up to the termination date. Service Provider's receipt of payment for Services rendered upon City's termination of this Agreement, is Service Provider's sole and exclusive remedy for termination for convenience by the City. City's termination for convenience does not constitute a default or breach of this Agreement.

If this Agreement is terminated as provided herein, City may require Service Provider to provide all finished or unfinished documents and data and other information of any kind prepared by Service Provider in connection with the performance of the Services under this Agreement. Service Provider shall be required to provide such documents, data, and other information within fifteen (15) days of the request.

9.3 Default. If it should appear at any time that the Service Provider has failed or refused to prosecute, or has delayed in the prosecution of, the Services with diligence at a rate that assures completion of the Services in full compliance with the requirements of this Agreement, or has otherwise failed, refused, or delayed to perform or satisfy the Services or any other requirement of this Agreement ("Event of Default"), then the City shall have the right, without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

9.3.1. Cure by Service Provider. The City may require the Service Provider, within a reasonable time, to complete or correct all or any part of the Services that are the subject of the Event of Default; and to take any or all action necessary to bring the Service Provider and the Services into compliance with this Agreement.

9.3.2. Termination of Agreement by City. The City may terminate this Agreement as to any or all Services yet to be performed, effective at a time specified by the City, and shall pay Service Provider for the Services performed or reimbursable expenses actually incurred as of the effective date of termination.

9.3.3. Withholding of Payment by City. The City may withhold from any payment, whether or not previously approved, or may recover from the Service Provider, any and all costs, including attorneys' fees and administrative expenses, incurred by the City as the result of any Event of Default by the Service Provider or as a result of actions taken by the City in response to any Event of Default by the Service Provider.

SECTION 10. COMPLIANCE WITH LAWS AND GRANTS.

10.1 Generally: Permits/Codes/Business Laws/Safety Standards/Grants. Service Provider shall give all notices, pay all fees, and take all other action that may be necessary to ensure that the Services are provided, performed, and completed in accordance with all required governmental permits, licenses, or other approvals and authorizations that may be required in connection with providing, performing, and completing the Services, and will comply with all applicable municipal, county, state and federal statutes, ordinances, rules, and regulations, including without limitation all applicable building and fire codes, now in force or which may hereafter be in force, any statutes regarding qualification to do business, and all local, state and federal safety standards. Service Provider shall comply with all conditions of any federal, state, or local grant received by City or Service Provider with respect to this Agreement or the Services. Every provision of law required by law to be inserted into this Agreement shall be deemed to be inserted herein.

This provision is a material covenant of this Agreement. Service Provider agrees to not apply any costs or charge any fees to the City regarding the procurement of records required pursuant to an FOIA request. Should Service Provider request that the City utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, Service Provider agrees to pay all costs connected therewith (such as reasonable attorneys' fees and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed

denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. Service Provider agrees to defend, indemnify, and hold harmless the City, and agrees to pay all costs in connection therewith (such as reasonable attorneys' and witness fees, filing fees, and any other expenses) to defend any denial of a FOIA request by Service Provider's request to utilize a lawful exemption to the City.

The Service Provider represents that the only persons, firms, or corporations interested in this Agreement as principals are those disclosed to the City prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or corporation. If at any time it shall be found that the Service Provider has, in procuring this Agreement, colluded with any other person, firm, or corporation, then the Service Provider shall be liable to the City for all loss or damage that the City may suffer, and this Agreement shall, at the City's option, be null and void.

10.5 Sexual Harassment Policy. The Service Provider shall certify that it has a written sexual harassment policy in full compliance with Section 2-105(A)(4) of the Illinois Human Rights Act, 755 ILCS 5/2-105(A)(4).

10.6 Patriot Act (USA Freedom Act) Compliance. and costs) arising from or related to any breach of the representations and warranties in this subsection.
