## **SECTION 2. PROJECT.**

**2.1 Project Name.** The name of this project is the **Crack Sealing and Seal Coating Services ("Project")**.

**2.2 Retention and Work to Be Done by Contractor.** The City retains the Contractor to perform Crack Sealing and Seal Coating Services in the City of Wheaton for the completion of this Project. For and in consideration of the payments indicated in the Contractor's bid hereto attached in **Group Exhibit B**, the Contractor promises and agrees that it shall at its own cost and expense perform all the work and furnish all the labor, material, tools, equipment, and other property necessary to do, construct, install, and complete all the work and improvements required for the Project (hereinafter "Work"), all in full accordance with and in compliance with and as required by the Contract Documents, including any and all Addenda or Change Orders for such Work, and to do all other things required of the Contractor by the Contract Documents for such Work.

**2.3 Independent Contractor Status.** The Contractor shall act as an independent contractor in providing and performing the Work. Nothing in, nor done pursuant to, this Agreement shall be construed (i) to create the relationship of principal and agent, employer and employee, partners, or joint-venturers between the City and Contractor; or (ii) to create any relationship between the City and any subcontractor of the Contractor. Contractor is not in any way authorized to make any contract, agreement, or promise on behalf of the City, or to create any implied obligation on behalf of the City, and Contractor specifically agrees that it shall not do so. The City shall not have the authority to control the method or manner by which Contractor complies with the terms of this Agreement.

**2.4 Agreement Administration.** A "Notice to Proceed" order will be issued by the City upon confirmation of a properly executed Agreement. Once the "Notice to Proceed" order is issued, the Contractor's primary contacts with the City will be the Project Manager or her designee (hereinafter "Representatives"). The City's Representatives' primary responsibility is to assure that the City receives the Work in accordance with the terms and conditions of this

Agreement. The City Representative(s) shall oversee the entire Project from kick-off activities through close out and payment of final invoice, monitor Project progress; address any quality issues and change orders, and review and approve service deliverables.

**2.5 Reporting.** The Contractor shall regularly report to the City's Project Manager regarding the progress of the Work, assumptions, and problems encountered during the term of this Agreement. Such reports may be provided in person or over the telephone at the discretion of the City.

**2.6 Project Manager.** The City's Representative for the Project is Nathan Plunkett. The Project Manager's contact information is as follows: [nplunkett@wheaton.il.us](mailto:nplunkett@wheaton.il.us) or (630) 260-2116.

**2.7 Engineering Design Professional Representative.** The City reserves the right to utilize an Engineering Design Professional Representative to monitor the progress of Contractor's Work, observe in detail the quality of Contractor's Work and determine whether the Contractor's Work is proceeding in accordance with the Contract Documents. The City will provide Contractor with the name and contact information of any Engineering Design Professional Representative utilized. Contractor shall Work cooperatively with the City's Engineering Design Professional Representative in the performance of the Work required by this Agreement.

**2.8 Time of Performance.** The Contractor shall perform the Work within the Term of this Agreement as set forth in **Section 7.1** of this Agreement, in accordance with the schedule of work indicated in the attached bid or as provided in accordance with the Invitation to Bid (**Group Exhibit B**) and **Group Exhibit A**, and in accordance with any other completion schedule or milestones which may be separately agreed upon in writing by the Parties. Contractor represents that it has the personnel required to perform the Work in conformance with such conditions. Upon request of City, Contractor shall provide a more detailed schedule of anticipated performance to meet the schedule of work. The Contractor agrees that time is of the essence.

**2.9 Additional Work.** The Contractor shall provide only the Work specified in the Contract Documents. The Contractor acknowledges and agrees that the City shall not be liable for any costs incurred by the Contractor in connection with any work provided by the Contractor that is outside the scope of this Agreement ("Additional Work"), regardless of whether such Additional Work is requested or directed by the City, except upon the prior written consent of the City through an approved Change Order. Upon recognizing the need to perform Additional Work, the Contractor shall notify the City with reasonable promptness and explain the facts and circumstances giving rise to the need and submit to the City a Change Order Form for amendment to the Agreement for the City's review and approval setting forth the details of the requested Additional Work. Additional Work that has been authorized in writing by the City shall be subject to the terms and conditions of this Agreement and payment for Additional Work shall be mutually agreed upon by the parties before the commencement of any Additional Work.

**2.10 Changes and Alterations.** Any changes or alterations to this Project affecting, inclusive of, but not limited to, scope, cost, milestones, deadlines, or other significant factors shall be integrated in writing on a City Change Order Form (**Exhibit E**); verbal approval is not considered a Change Order and is not authorization to proceed. All Change Orders shall clearly

identify the impact of cost and the effect on time required to perform the Work. Any proposed change to the Project that increases the Agreement price or the costs to be expended by the Contractor in an amount of \$35,000 or more shall require the approval of the City Council before such changes may be made. Any Work that is performed beyond the approved Agreement scope or Agreement price shall not be paid without the City's prior written consent through an approved Change Order.

**2.11 Bonds.** When specifically requested by City in Exhibit A, Contractor shall furnish with the executed Agreement, performance and payment bonds equal to one-hundred percent (100%) of the full contract price, on forms approved by the City, as security for the faithful performance and completion of all the Contractor's obligations under the Contract Documents, including, but not limited to Contractor's Prevailing Wage Act obligations under this Agreement, and covering the payment of all materials used in the performance of this Agreement and for all labor and services performed under this Agreement. Such bond(s) shall be conditioned to save and keep harmless the City from any and all claims, demands, losses, suits, costs, expenses and damages which may be brought, sustained or recovered against the City by reason of any negligence, default or failure of the Contractor in performing or completing the Services, and that the Services shall be free from all defects and remain in good order and condition for one year from its completion and acceptance by the City; ordinary wear and tear, and damage resulting from accident or willful destruction excepted. Each surety providing a bond must be licensed in Illinois and have an A.M. Best Company, Inc. financial strength rating of at least A-. All bonds signed by an agent must be accompanied by a certified copy of his or her authority to act. Should, in the City's sole opinion, any bond become insufficient, or any surety be found to be unsatisfactory, Contractor shall renew or replace the affected bond within ten (10) days of receiving notice from the City. In the event the surety or Contractor intends to reduce or cancel any required bond, at least thirty (30) days prior written notice shall be given to the City, and Contractor shall post acceptable replacement bonds at least ten (10) days prior to the expiration of the original bonds. No further payments shall be deemed due or will be made under this Agreement until any replacement bonds required by this section are accepted by the City. To the extent, if any, that the Agreement Amount is increased in accordance with the Agreement, the Contractor shall, upon request of the City, cause the amount of the bonds to be increased accordingly and shall promptly deliver satisfactory evidence of such increase to the City. To the extent available, the bonds shall further provide that no change or alteration of the Agreement (including, without limitation, an increase in the Agreement Amount, as referred to above), extensions of time, or modifications of the time, terms, or conditions of payment to the Contractor, will release the surety. A copy of all bond certificates shall be attached to this Agreement and made a part hereof. Failure to provide the required bond(s) shall constitute a breach of Contractor's obligations under this Agreement.

**2.12 Warranty.** Any defective material, or workmanship, or any unfaithful or imperfect work, which may be discovered before the final acceptance of the Work and/or within one (1) year thereafter, shall be corrected immediately on the requirements of the City Project Manager, without extra charge, notwithstanding that it may have been overlooked in the previous inspections and estimates. Failure to review construction shall not relieve the Contractor from any obligation to perform sound and reliable work as herein described.

### **SECTION 3. COMPENSATION AND METHOD OF PAYMENT.**

**3.1 Agreement Amount.** The total amount billed by the Contractor for the Work performed for the Project under this Agreement shall not exceed **\$113,000** including reimbursable expenses, without the prior express written authorization of the City.

**3.2 Payment.** The Contractor shall receive and accept payments indicated in its bid as full compensation for furnishing all materials and equipment and for doing all the Work contemplated and embraced in this Agreement. City shall make payments to the Contractor on the basis of Contractor's Applications for Payment as recommended by the City's Project Manager, or his designee, or by City's Engineering Design Professional Representative in conformance with the City's accounts payable schedule and the payment provisions contained in the attached **Group Exhibit A**. All payments shall be based on the progress of the Work measured by the schedules provided in the Contract Documents. Authorization of payment requires the receipt by the City of invoices from the Contractor containing sufficient detail of the Work performed to enable the City to properly evaluate the payout request; and shall include the following:

1. To fulfill the Waiver(s) of Lien requirement for Applications for Payment, the First Application for Payment, shall be accompanied by the Prime (General) Contractor's partial waiver of lien, called "Waiver of Lien to Date," for the full amount of payment due.
2. Each subsequent Application for Payment shall be accompanied by the Prime (General) Contractor's Waiver of Lien to Date, plus the partial waivers of lien of Laborers, Subcontractors and Material Suppliers from all laborers, subcontractors, sub-subcontractors, and suppliers who were included in the immediately preceding payment application, to the extent of that payment.
3. The final Application for Payment shall be accompanied by the Final Waiver of Lien for the full amount of the contract from the Prime (General) Contractor, and all laborers, subcontractors, sub-subcontractors, and suppliers, including those who have not previously furnished such final waivers.

The City shall pay Contractor in accordance with the Illinois Local Government Prompt Payment Act. The City shall make all payments on the basis of approved invoices and supporting documents. The City shall use its best efforts to make payments within thirty (30) days after review and approval of the invoice. Each payment requires the City Council's approval of the expenditure which occurs at publicly scheduled meetings. Any invoices submitted in excess of six (6) months from the date that Work was completed, will not be paid. Under no circumstances will a third party be reimbursed for Work performed under this Agreement.

To ensure proper performance of this Agreement, the City shall retain ten percent (10%) of the amount for each application for payment until the Work is fifty percent (50%) complete, at which time the City may reduce the amount retained during the remaining progress of the work,

provided the Contractor has satisfied the City in quality and timeliness of the Work performed up to and including the date of the request for payment. The Work shall be deemed fifty percent (50%) complete when the Contractor's gross Work invoices, excluding the value of materials stored off-site, equal or exceed fifty percent (50%) of the value of the Agreement. The amounts retained from each application for payment shall not be released to Contractor unless the following conditions have been met: (i) final inspection and acceptance of the Work has been made by the City; (ii) Contractor has submitted to the City an affidavit that payrolls, bills for materials and equipment, and other indebtedness connected with the Work for which the City might be responsible have been paid or have otherwise been satisfied; and (iii) Contractor has submitted to the City all certified payrolls, warranty documentation, insurance documentation, releases and waivers of liens, claims, security interests or encumbrances arising out of the Agreement, and any other required documentation pursuant to this Agreement. Nothing herein shall prevent the City from invoking the remedies available to it pursuant to the default provisions of this Agreement or from withholding payment to the Contractor in addition to the amounts identified herein for unsatisfactory Work progress, defective Work not remedied, disputed Work, or third-party claims filed against the City or reasonable evidence that a third-party claim will be filed. The City shall not be required to make a final payment prior to completion and acceptance of the Work by the City.

The City may use the retained amounts to remedy any defective or uncorrected Work. At the end of the final payment, the City may apply any retained amounts to offset any approved adjustment or authorized deduction to the Contract price.

**3.3 Unappropriated Funds.** The obligation of the City for payment to the Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of this Agreement into a subsequent fiscal period is subject to the appropriation of funds, unless otherwise authorized by law.

**3.4 Taxes, Benefits, and Royalties.** The Agreement Amount includes all applicable federal, state and City taxes of every kind and nature applicable to the Work as well as all taxes, contributions, and premiums for unemployment insurance, old age or retirement benefits, pensions, annuities, or similar benefits and all costs, royalties, and fees arising from the use of, or the incorporation into, the Work, of patented or copyrighted equipment, materials, supplies, tools, appliances, devices, processes, or inventions. All claims or right to claim additional compensation by reason of the payment of any such tax, contribution, premium, costs, royalties, or fees is hereby waived and released by the Contractor.

**3.5 Interest Waiver.** Contractor hereby waives any and all claims or rights to interest on money claimed to be due pursuant to this Agreement, and all such rights to interest to which it may otherwise be entitled pursuant to law, including, but not limited to, pursuant to the Local Government Prompt Payment Act, (50 ILCS 505/1 *et seq.*) as amended or the Illinois Interest Act (815 ILCS 205/1, *et seq.*) as amended.

**3.6 Account Records.** The Contractor shall maintain records showing actual time devoted and costs incurred in connection with the Work performed under this Agreement and shall permit the authorized representative of the City to inspect, audit and make copies of all

data, financial records, and supporting documents of the Contractor for the Work done under this Agreement. All such records shall be clearly identifiable. The records shall be made available to the City during normal business hours during the Agreement period, and for three years after the expiration or termination of this Agreement.

In the event that the City receives Grant funds from the State of Illinois or Federal government for this Project, Contractor and its subcontractors and consultants shall grant the State of Illinois grant awarding agency, the Illinois Auditor General, the Illinois Attorney General, any Executive Inspector General, federal authorities, any person identified in 2 C.F.R. § 200.336, or any of their duly authorized representatives, and any other person as may be authorized by the State of Illinois or by federal statute, full access to and the right to examine any pertinent books, records, related papers, supporting documentation and personnel relevant to this Agreement and the Grant funds awarded to the City pertaining to the Project. All subcontractors shall be required to comply with this provision and Contractor shall include this requirement in all contracts it has with all subcontractors performing Work on this Project.

#### **SECTION 4. REPRESENTATIONS OF CONTRACTOR; SUBCONTRACTORS**

**4.1 Standard of Care.** The Contractor represents, certifies, and warrants that it shall perform and complete the Work in a manner consistent with the level of care, skill, and diligence exercised by other recognized Contractors in the Wheaton area, under similar circumstances at the time the Work is performed. Contractor agrees that all employees and subcontractors shall have sufficient skill and experience to perform the Work assigned to them. The representations, certifications, and warranties expressed herein shall be in addition to any other representations, certifications, and warranties expressed in this Agreement, or expressed or implied by law, which are hereby reserved unto the City. Contractor shall perform, at its own cost and expense and without reimbursement from the City, any services or work necessary to correct errors or omissions which are caused by the Contractor's failure to comply with the standard of care provided for herein. Any employee or subcontractor of the Contractor who is determined by the City to be uncooperative, incompetent, a threat to the adequate or timely completion of the Project, a threat to the safety of persons or property, or any employee or subcontractor who fails or refused to perform the Work in a manner acceptable to the City, shall be promptly removed from the Project by the Contractor and shall not be re-employed to perform any of the Work on the Project.

**4.2 Solvency.** The Contractor represents that it is financially solvent and has the necessary financial resources to perform the Work with the standard of care required under this Agreement.

**4.3 Personnel.** The Contractor shall provide all personnel necessary to complete the Work, including without limitation, any Key Project Personnel identified in the Contract Documents. The Key Project Personnel shall not be changed without the City's prior written approval. The Contractor shall notify the City as soon as practicable prior to terminating the employment of, reassigning, or receiving notice of the resignation of, any Key Project Personnel. The Contractor shall have no claim for damages and shall not bill the City for additional time and materials charges as the result of any portion of the Work which must be duplicated or redone

due to such termination or for any delay or extension of the Time of Performance as a result of any such termination, reassignment, or resignation of the Key Project Personnel.

**4.4 Subcontractors; Assignment or Transfer.** Contractor shall not subcontract any portion of the Work required under this Agreement, except as expressly authorized herein, without the prior written approval of the City. The City's approval of any subcontractor or subcontract shall not relieve the Contractor of full responsibility and liability for the provision, performance, and completion of the Work required by this Agreement. All Services performed under any subcontract shall be subject to all of the provisions of this Agreement in the same manner as if performed by employees of the Contractor. For purposes of this Agreement, the term "Contractor" shall be deemed also to refer to all subcontractors of the Contractor, and every subcontract shall include a provision binding the subcontractor to all provisions of this Agreement.

Contractor shall also not assign, hypothecate, or transfer, either directly or by operation of law, this Agreement, or any interest herein without the prior written consent of the City. Any attempt to subcontract or take any other action not authorized herein shall be null and void, and any subcontractors, assignees, hypothecates or transferees shall acquire no right or interest by reason of such actions.

**4.5 Political Advocacy and Advertising.** Contractor shall not engage in any form of political advocacy or political advertising at the project/work site, including but not limited to the display of signs, placement of decals on equipment, and distribution of material, which promotes or opposes any political committee, candidate, referendum, or issue. This provision shall not apply to peaceful primary picketing as permitted under the Illinois Labor Dispute Act.

**4.6 Illinois Works Job Programs Act.** For projects in which the Agreement Amount is \$500,000 or more, Contractor shall utilize apprentices, as defined by the Illinois Works Job Programs Act ("IWJPA"), 30 ILCS 559/20 *et seq.* to perform 10% of the total labor hours actually worked in each prevailing wage classification or 10% of the estimated labor hours in each prevailing wage classification, whichever, is less. Contractor shall also execute and submit to the City all Illinois Works Job Program documents required by the IWJPA; the implementing regulations found at 14 Ill. Adm. Code Section 680 *et. seq.*, and/or the Illinois Department of Commerce and Economic Opportunity ("DCEO"), including, but not limited to the Illinois Works Apprenticeship Initiative Periodic Reporting Form ("Reporting Form") which shall be submitted to the City every eighty (80) days after execution of the Agreement with the City to allow for the City's timely filing of the quarterly Reporting Form with the DCEO, and Certificates of Compliance upon completion of both the Work set forth in this Agreement and upon completion of all of the Work for the Project setting forth the information required by 14 Ill. Adm. Code 680.50 and certifying that the Contractor has either met the 10% apprenticeship goal or received a reduction or waiver of the 10% apprenticeship goal pursuant to Section 20-20(b) of the IWJPA and 14 Ill. Adm. Code 680.40. Forms can be found at the Illinois Department of Commerce's website:

[www2.illinois.gov/dceo/WorkforceDevelopment/Pages/IllinoisWorksJobsProgramsAct.aspx](http://www2.illinois.gov/dceo/WorkforceDevelopment/Pages/IllinoisWorksJobsProgramsAct.aspx).

The Contractor may seek from the DCEO a waiver or reduction of this apprenticeship goal requirement in certain circumstances pursuant to 30 ILCS 559/20-20(b). Should the Contractor seek a request for a waiver or reduction of apprenticeship goal requirements with the DCEO, the Contractor shall also submit a copy of the request to the City at the time of submitting such request with the DCEO.

Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratio and wage rates prescribed in the applicable programs. Does not apply to federal aid projects. Applicable only to maintenance and construction projects that use Motor Fuel Tax funds or state grant monies.

## **SECTION 5. INDEMNIFICATION; INSURANCE; LIABILITY**

**5.1 Indemnification.** The Contractor shall, without regard to the availability or unavailability of any insurance, either of the City or of the Contractor, defend, indemnify, and hold harmless the City, its past, present, and future elected officials, directors, officers, representatives, employees, agents, volunteers, and attorneys (hereinafter the "City Indemnitees") from and against any and all claims, suits, allegations, demands, losses, damages, injuries, liabilities, fines, settlements, judgments, penalties, costs, expenses, and attorneys' fees, or any and all other relief or liability (hereinafter collectively the "Claims" or individually the "Claim"), that may be incurred as a result of bodily injury, sickness, death or property damage or as a result of any other claim or suit of any nature whatsoever arising out of, or in connection with, or resulting from or through or alleged to arise out of or result from or through, directly, or indirectly, the negligent acts, errors or omissions, or intentional acts or omissions of Contractor or Contractor's officers, employees, agents, or subcontractors in the performance of the Work required by this Agreement or from the Work to be performed under this Agreement, except to the extent caused by the City's Indemnitees own negligence. Contractor shall also defend, indemnify, and hold harmless the City Indemnitees from claims arising out of or in connection with litigation based on any mechanic's lien or other claims, suits, judgments and/or demands for damages by subcontractors; provided, however, that the Contractor shall not be obligated to indemnify, hold harmless and defend the City or DuPage County for any negligent or intentional wrongful misconduct or omissions by the City or DuPage County officials, employees, agents, contractors or personnel. The Contractor is solely responsible for determining the accuracy and validity of any information provided to the Contractor by the City or its representatives. The provisions of this paragraph and in all other paragraphs in this **Section 5.1** shall not be limited by any amount of insurance required under this Agreement, shall survive any expiration and/or termination of this Agreement, and shall apply to the fullest extent permitted by law. In the event that any provision in this paragraph or in any other paragraph in this **Section 5.1** is determined to be unenforceable, the indemnification obligations shall be severable and the fullest extent of indemnification that may lawfully apply shall remain in full force and effect.

Contractor shall be responsible for any losses and costs to repair or remedy work performed under this Agreement resulting from or arising out of any act or omission, neglect, or misconduct

in the performance of its work or that of its employees or any own for whom Contractor is legally responsible. Acceptance of the Work by the City shall not relieve the Contractor of the responsibility for subsequent correction of any such error, omissions, and/or negligent acts or of its liability for loss or damage resulting therefrom.

Contractor shall promptly provide, or cause to be provided, to the City Clerk copies of all notices that Contractor may receive of any claims, actions, or lawsuits that may be given or filed in connection with Contractor's performance or the performance of any of Contractor's subcontractors and for which the City Indemnitees are entitled to indemnification under this Agreement and to give the City Indemnitees authority, information, and assistance for the defense of any claim or action.

Contractor's obligation to defend under this Agreement shall be immediate upon written notice by City to Contractor and shall not be limited by any allegations that City Indemnitees were in charge of the Work or by any alleged negligence on the part of City Indemnitees. Furthermore, Contractor shall, if requested by City, defend the City and City Indemnitees using counsel approved by the City in its sole discretion. The City shall have the right at its sole option, to participate in the defense of any such suit, without relieving Contractor of its obligations under this **Section 5.1.** Nothing in this Agreement shall be construed as prohibiting the City Indemnitees from defending, through the selection and use of their own agents, attorneys, and experts, any Claims brought against them arising out of, in connection with, or resulting from the performance of this Agreement.

In the event that any claim for indemnification hereunder arises from the negligence or willful misconduct of both the Contractor and the City, the parties agree that any and all lawsuits, claims, demands, damages, liabilities, losses, fines, judgments, settlements, penalties, costs, and expenses shall be apportioned between the Parties on the basis of their comparative degree of fault, except as otherwise provided herein.

In the event any Claim is asserted, and money is due to the Contractor under and by virtue of this Agreement, the City may, in its sole and absolute discretion, to protect itself against said Claim, retain such money until such time that all such Claims have been settled or have been fully judicially determined and satisfied, and evidence to that effect has been furnished to the satisfaction of the City.

No inspection by the City or by its employees or agents shall be deemed a waiver by the City of full compliance with the requirements of this Agreement.

To the extent permissible by law, Contractor waives any limits to the amount of its obligations to indemnify, defend, or contribute to any sums due under any Claims, including any claim by any employee of Contractor that may be subject to the Illinois Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision, including, but not limited to, *Kotecki v. Cyclops Welding Corporation*, 146 Ill.2d 155 (1991). The City, however, does not waive any limitations it may have under the Illinois Workers Compensation Act, the Illinois Pension Code, or any other statute.

**5.2 Insurance.** Contemporaneous with the Contractor's execution of this Agreement, the Contractor shall provide certificates and policies of insurance, all with coverages and limits acceptable to the City, and evidencing at least the minimum insurance coverages and limits as set forth by the City in the **Special Provisions for: Insurance Coverage for Construction Services** included in **Exhibit C** to this Agreement. The City, its officers, elected officials, employees, agents, and volunteers shall be included under the Contractor's insurance as additional primary insureds with respect to claims and/or liability arising out of Work performed for the City by the Contractor. All subcontractors shall comply with each and every insurance provision in **Exhibit C**. Contractor shall therefore not allow any subcontractor to commence Work on any subcontract to perform any part of the Work until it has provided evidence satisfactory to the City that the subcontractor has secured all insurance required under this Agreement. The insurance described herein as set forth in **Exhibit C** shall be maintained for the duration of the Agreement, including warranty period. All costs for insurance as specified herein will be considered as included in the cost of the contract.

**5.3 No Personal Liability.** No elected or appointed official, director, officer, agent, or employee of the City shall be personally liable, in law or in contract, to the Contractor as the result of the execution, approval or attempted execution of this Agreement.

**5.4 Governmental Immunity.** Nothing in this Agreement shall be construed as a waiver of any and all privileges, immunities, or defenses provided to or enjoyed by the City under common law or pursuant to statute, including but not limited to the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/2-101 *et. seq.*

**5.5 Third Party Beneficiaries.** It is recognized that the Work performed by Contractor is for the benefit of the City and no other party.

**5.6 Limitation of Liability.** CITY OF WHEATON SHALL NOT BE LIABLE TO CONTRACTOR FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE, OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION, LOST PROFITS (DIRECT OR INDIRECT) AND LOST REVENUES HOWSOEVER ARISING, WHETHER OR NOT CHARACTERIZED IN NEGLIGENCE, TORT, CONTRACT OR OTHER THEORY OF LIABILITY, EVEN IF THE CITY HAS BEEN ADVISED OF THE POSSIBILITY OF OR COULD HAVE FORESEEN ANY SUCH DAMAGES.

means except an unauthorized act or omission or breach of this Agreement on the part of the Contractor or the City; or (iv) to have been supplied to the Contractor after the Time of Disclosure without restriction by a third party who is under no obligation to the City to maintain such information in confidence.

**6.2 No Disclosure of Confidential Information by the Contractor.** The Contractor acknowledges that if in the event that it shall, in performing the Work for the City under this Agreement, have access to or be directly or indirectly exposed to Confidential Information, that Contractor shall hold confidential all Confidential Information and shall not disclose or use such Confidential Information without express prior written consent of the City. A determination of completion shall not constitute a waiver of any rights or claims which the City may have or thereafter acquire with respect to any term or provision of this Agreement. The parties agree that time is of the essence.

The City, at its option, may extend this Agreement (the "Option") for two (2) additional one-year terms if the vendor performs satisfactorily and provided there are no changes in the terms, conditions, specifications, and pricing structure unless mutually agreed to by the parties. If the City exercises this Option, the extended Agreement shall be considered to include this Option provision.

**7.2 Termination.** Notwithstanding any other provision hereof, the City may terminate this Agreement, with or without cause, at any time upon fifteen (15) days prior written notice to the Contractor. In the event that this Agreement is so terminated, the City shall pay Contractor for the Work performed and reimbursable expenses actually incurred as of the

Contractor's receipt of payment for Work rendered upon City's termination of this Agreement, is Contractor's sole and exclusive remedy for termination for convenience by the City. City's termination for convenience does not constitute a default or breach of this Agreement.

If this Agreement is terminated as provided herein, City may require Contractor to provide all finished or unfinished documents and data and other information of any kind prepared by Contractor in connection with the performance of the Work under this Agreement. The Contractor shall be required to provide such documents, data, and other information within fifteen (15) days of the request.

Contractor agrees to not apply any costs or charge any fees to the City regarding the procurement of records required pursuant to a FOIA request. Should Contractor request that the City utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, Contractor agrees to pay all costs connected therewith (such as reasonable attorneys' fees and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged, or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction.
