Join the Citizens Fire Academy

Seven-week course meets on Tuesday nights

Have you ever wondered what it takes to become a firefighter? Are you interested in learning how the Wheaton Fire Department operates?

The Wheaton Fire Department invites you to participate in a hands-on learning experience that will have you gearing up in fire equipment and learning what the life of a Wheaton firefighter is really like.

The Citizens Fire Academy is a 7-week course offered exclusively to Wheaton residents. The academy runs from 6:30-9:30 p.m. Tuesdays, Oct. 3 through Nov. 14.

The program covers everything from day-to-day fire station operations, breathing apparatus, vehicle extrication, and much more. The academy will culminate with the opportunity to extinguish a fire at the Carol Stream burn tower.

To take part in the Citizens Fire Academy, you

Apply online at:

or call 630-260-2175

must be a Wheaton resident who is at least 18 years old. Participants should plan to attend all seven weeks of the academy, as the information and skills learned will build upon prior sessions.

There is no fee to participate in the Citizens Fire Academy and no minimum level of physical fitness required. Academy instructors will modify activities to meet individual abilities. The Wheaton Fire

Department intends for the Citizens Fire Academy to represent a cross-section of the community, including a wide range of ages and abilities.

Registration will begin Aug. 1 and will be filled on a first-come, first-served basis. To register visit www.wheaton.il.us/CitizensFireAcademy, or call 630-260-2175 and provide your name, address, and phone number.

August 12 Wheaton Bike Festival to Celebrate “Bike-Centennial”

Event includes bike parade, bike rodeo with Wheaton Police and more

A family-friendly festival will soon roll into town with the return of the Bike Wheaton Festival. This year, the event will also help celebrate the “Bike-Centennial,” which is the 200th anniversary of the invention of the bicycle.

From 10 a.m. to noon Saturday, Aug. 12, join the Wheaton Bicycle Committee and the Downtown Wheaton Association in Memorial Park for many fun activities revolving around biking.

Included in this event:

• **Bike Parade through downtown Wheaton:** Prizes will be awarded for decorated bikes in all age groups. Bring family and friends to watch or join in the parade, which will travel from Memorial Park, south on Wheaton Avenue, east

on Front Street, and north on Hale Street, ending at Memorial Park.

• **Bike Rodeo:** Organized by the Wheaton Police Department, children can test their bike skills and get a certificate.

• **Festival in the Park:** Find exhibits, information booths for bicyclists, bike tuning how-to, DJ in the bandshell, and more.

• **Vintage/Historic Bikes on Parade:** See vintage,

historic, one-of-a-kind, retro and customized bikes in the parade and on display celebrating the “Bike-centennial.”

• **Bike Donations:** Bring old/used bikes to donate to Working Bikes, an organization that repairs bikes and donates them to individuals who need transportation.

You do not need to register for this event, and it is free to participate.

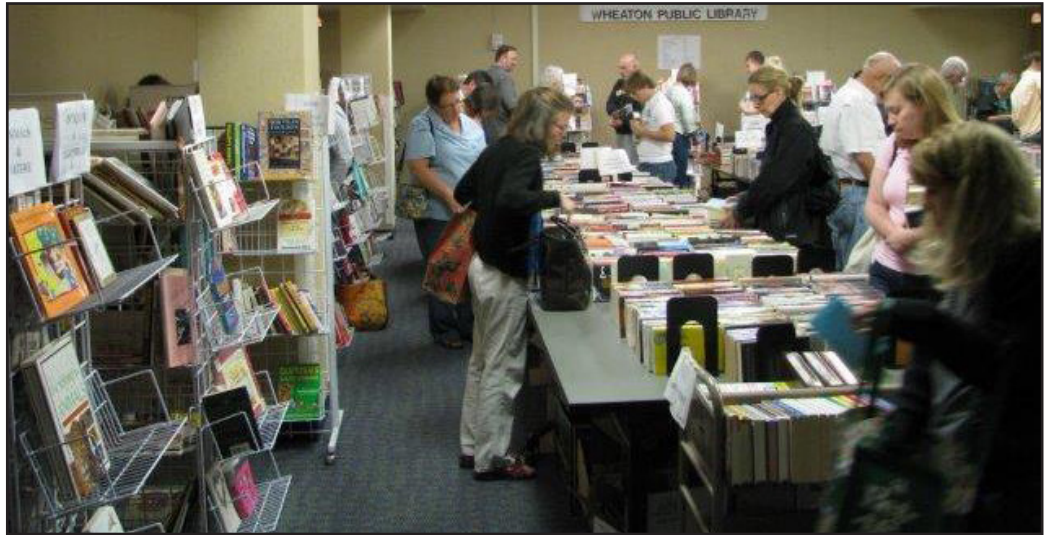

Children can decorate their bikes and participate in a bike parade through downtown Wheaton.

Take Precautions to Prevent Car Burglaries

The City of Wheaton has recently experienced an uptick in burglaries to vehicles. In the first week of July alone there were more than 55 vehicle burglaries. One vehicle was stolen when the criminals discovered the keys. In each of these incidents, the vehicles were left unsecured on the driveway of the residence.

To help curb this ongoing problem and deter criminals, the Wheaton Police Department would like to remind the public of the following crime prevention tips:

- Always lock your vehicle when it is unattended.
- Do not leave a spare key inside the vehicle unless it is well-hidden.
- Do not leave valuables inside the vehicle.
- Use exterior lights or motion detectors on your property to deter criminals.
- Report suspicious persons or noises to 9-1-1.

Slow Down in School Zones, Obey Speed Limits

Consider this:
• In 2015, 369 people in Illinois died in automobile accidents caused by speeding.

• Crash severity increases with the speed of the vehicle at impact, resulting in more severe injuries.

• When speeding, there is a greater chance that other drivers will misjudge how fast you are traveling.

• A 1% decrease in travel speed reduces injuries by about 2%, a serious crash by 3%, and a fatal crash by 4%.

These are a few of the

facts the Wheaton Police Department and police departments statewide highlighted during Illinois Speed Awareness Day on July 26.

The Wheaton Police Department asks you to do your part in preventing fatalities and injuries on the road by obeying posted speed limits at all times. With your help, we can make the roads safer for all motorists, pedestrians and cyclists.

Also, please be especially cautious near schools as school begins. Many students

may be walking to school for the first time or have

forgotten safe practices for crossing the street.

Samuel Watts, a Wheaton resident, gave his life serving our country.

Wheaton Street Dedicated to Local Hero

Karlskoga Avenue now bears the name of a former resident who gave his life serving our country.

On July 21, the City of Wheaton unveiled an honorary sign dedicated to SPC Samuel T. Watts at the corner of Karlskoga Ave and Hale Street. Family, friends and City officials celebrated the unveiling during a ceremony honoring Watts.

SPC Samuel T. Watts was a graduate of Wheaton North High School and Specialist in the U.S. Army. He gave his life serving his country in Afghanistan in 2012.

The City enacted an honorary street sign program in September 2016 to posthumously recognize former Wheaton residents who made significant contributions to the City, state, or the United States.

Nicor Work Affecting Some Areas

Contracted crews for Nicor Gas are working in Wheaton to replace underground gas pipes. Crews are working on the parkways of some residential properties. All workers for Nicor or its contractor, NPL, will be wearing Nicor identification badges.

If your property is included in the work area, Nicor has provided you with a notice of the upcoming work.

This project includes inspecting sewers, identifying the location of underground utilities, installing a new natural gas main (an underground pipe supplying homes with natural gas), connecting service lines to the new
