FIRE HYDRANT RESTORATION

Amendment #1

The following changes / clarifications / additions have been added to the bid project specifications and plans:

- 1. QUESTION:** We were wondering if you require a bid bond for your fire hydrant renovation project or only a performance bond.

ANSWER: Refer to Special Terms and Conditions for Contracted Services, Item #8.

- 2. QUESTION:** We were also wondering if mailing pages 21 through 26 would be sufficient for your bid?

ANSWER: Page 1 of the Cost Proposal section lists the documents that are required with bid submissions.

Attachments: None
